NOTE: The status of these roads could change at short notice or during your visit, after rain. As the website and DPaW APP, is updated during working hours only, please confirm park status with local Parks and Wildlife, staff in the areas that you are intending to visit. Please also be aware of Fitzgerald River National Park Road Status signs located on roads leading into major park entrances.

- Help reduce the spread of "Dieback Disease" in the park, wash mud from your vehicle before leaving home and where possible avoid wet areas on the roads (without leaving the road).
- Caravans not permitted on unsealed roads, due to roads are, narrow and may be corrugated. For more information. Please phone the Hopetoun Work Centre 9842 4568, Gairdner Ranger Station 9837 1022, Albany Office 9842 4500.
