Married to Gavin 29 yrs. 2 daughters 26 and 23. Munglinup Farmers.

Raised on Mt Madden family farm. School in Ravensthorpe, boarding school in Albany, studied agriculture and returned to my origins.

My grandparents retired in Hopetoun and I visited often when I was a child. I still love going here now as an adult with my family.

Country life and small communities are my passion. I volunteer for Munglinup Ambulance and Community Group.

I work at Munglinup and Jerdacuttup Schools, drive the Jerdacuttup school bus and help run our farm business. I've worked at AEC, WAEC and ABS and so have a great understanding of the Shire of Ravensthorpe.

I feel connected and want to give back to the Shire of Ravensthorpe on a broader scale. I'll be your open-minded councillor, no hidden agendas.

I'll promote good roads, health, sport, youth activities. tourism, community infrastructure and emergency services.

Honesty, respect, good manners and getting in amongst it is how I believe life should be conducted.
