Hi Everyone,

I am married with 3 adult children. My wife and I have lived in Hopetoun for 11years. We moved to Hopetoun from Esperance where I was brought up and completed my schooling. I worked as a farmer, drug rehabilitation manager and small business owner and are currently a YouthCare Chaplain at Hopetoun primary and 3 other schools. I have previous experience as a shire councillor in Esperance from 2011 to 2013, therefore I feel adequately prepared.

If I am elected, my role is firstly and most importantly to represent the interests of ratepayers and residents of the district. Secondly to facilitate communication between the community and the council. I have a passion to serve the people of this community, previously as a committee member of the Hopetoun Progress Association, current member of Windspray Arts and volunteer with Hopetoun Community Pantry.

I consider the position of shire councillor a privilege to serve and not a position of advantage.
