I'm Robert Miloseski a dedicated member of the Hopetoun community. With over 32 years of experience in the real estate market, I have succeeded in building strong relationships with local businesses and community members alike. My commitment to ethical practices guides my success, while my exceptional listening skills ensures that everyone's needs are heard.

My wife and I purchased a block in Hopetoun in 2009 and began building in 2010, we moved here with our two children in 2020. We have all fallen in love with the laidback lifestyle this town has to offer, so much so that I am actively involved in several local groups, Volunteer Fire Emergency Services, Snake Relocations and Hopetoun Primary School Council.

I love getting out into nature fishing, quad biking with my kids, or gardening. It's this energy that I want to bring out into our town again by running for councillor at this year's local government election! If you're looking for a fresh voice in Hopetoun, vote 1 Robert Miloseski!
