My Name is Bill Auburn and I'm seeking your support please, to serve you in the 2025 Local Government election at the Shire of Ravensthorpe.

I have lived full time in the Shire since establishing a building business in 1983 and been committed to my community since then.

I previously served as a Councilor from May 1999 until August 2008

I have worked full time at the Shire for the last 16 years as a Building Maintenance Officer, I have recently semi-retired & can afford to commit again to the duties required of being a diligent councilor

I live and own my home at Blue Vista.

I do not have an individual agenda but a collaborative one that engages & provides the most productive outcomes achievable for our Shire

I wish to advocate for a range of common responsibilities of Local Government for the betterment of the people of Hopetoun, Ravensthorpe, Munglip and our surrounding districts within the Shire

I would be humbled by your support and thank you in advance should you offer me your vote.
