#### **PURPOSE**

1. In accordance with section 7.12A(3) of the *Local Government Act 1995*, Council is required to examine the Auditors Report for the year ending 30 June 2022 and is to determine if any matters raised by the Auditors require action to be taken.
2. A copy of the Auditors Report and the Annual Financial Report for the year ending 30 June 2022 is presented for adoption.
3. Council is required to set a date for the Annual General Meeting of Electors within 56 days of adopting the annual financial statements.

#### **BACKGROUND**

4. This is the fifth year where the audit process has involved the Office of the Auditor General (OAG), in conjunction with Moore Australia, and given that the previous audit sign offs have been (17/18) 28 June 2019, (18/19) 11 December 2019, (19/20) 11 March 2021 and (20/21) 28 July 2022, we were looking forward to getting back to a December sign off to allow the timely arrangement of the annual electors meeting, however this was unable to be achieved with a current sign off of 27 February 2023.

#### **COMMENT**

5. The OAG, in conjunction with contracted auditors, Moore Australia, have completed the annual audit for the year ending 30 June 2022.
6. The audit plan for this year was delayed by one month given the late handing down of the 2021 audit on 28 July 2022 as a result of the detailed data requirements in the aftermath of the Crime and Corruption Commission (CCC) intervention 1 September 2021.
7. The OAG has returned the following audit opinion for the year ended 30 June 2022:
  - a) *In my opinion the financial report of the Shire of Ravensthorpe:*
    - i) *is based on proper accounts and records;*

- ii) *presents fairly, in all material respects, the results of the operations of the Shire for the year ended 30 June 2022 and its financial position at the end of that period in accordance with the Local Government Act 1995 (the Act) and, to the extent that they are not inconsistent with the Act, Australian Accounting Standards.*
- iii) *Noting that the fraud had involved a misappropriation of funds, it is worthwhile referring to the Shire's Statement of Financial Position at the top of Page 4, where Cash and Cash equivalents had increased from \$4,774,669 in 2021 to \$4,991,336 in 2022. This reaffirms Shire finance staff assurances at the time of the CCC intervention September 2021 that notwithstanding the fraud, all cash deposits were maintained intact and accounted for without discrepancy.*

8. Whilst the audit opinion is unqualified, the OAG has raised the following significant matters where there is potentially a risk to the entity should the finding not be addressed by the entity promptly, together with a number of significant matters unresolved from the 2020/21 audit handed down on 28 July 2022 after the close of the 2021/22 period:

- a) Fair value of infrastructure assets – frequency of valuations;
- b) Fraud and corruption control plan not implemented (2021);
- c) Declarations of conflict of interest (2021);
- d) Purchases not in accordance with purchasing policy – property expenditure (2021);
- e) Information technology general controls – user access (2021); and
- f) Supplier master file changes are not reviewed (2021).

9. The Shire's management response to the audit findings are as follows;

- a) Fair value of infrastructure assets – frequency of valuations - For direct action the Shire will perform a full revaluation of infrastructure assets in 2023/24. Given that this is an emerging issue triggered by the recent inflationary cycle, we will also consult with the local government industry to determine the best approach in developing an annual management practice to monitor and assess a materiality position when determining whether it is appropriate to perform earlier revaluations than the current maximum 5 year cycle.
- b) Fraud and corruption control plan not implemented (2021) - As commented earlier in this financial year, we will be developing and implementing a Fraud and Corruption Control Plan. Our initial deadline of December 2022 proved to be a little optimistic given the timing of the previous audit in July 2022, late budget preparation and late annuals preparation, however this will be completed by June 2023.
- c) Declarations of conflict of interest (2021) - Following the immediate actions put in place in July 2022, the F2 Purchasing Policy was reviewed by Council in February 2023.
- d) Purchases not in accordance with purchasing policy – property expenditure (2021) - Our comment in July 2022 was that further training will be undertaken in the use of credit cards. This has produced a reduction in transactions and monetary volume which has been evidenced by the progress of our credit card expenditure in the monthly

accounts payment reports to Council, however we are also aware that this is a constant area of monitoring of which the CEO maintains vigilance.

- e) Information Technology General Controls – User Access (2021) - Following our comments in July 2022 we confirm that there may have been a slight misinterpretation of the CCC report as there are no shared accounts on Synergy, however there is the scope for staff to raise purchase orders under their own access that require an authorisation from a higher signing authority before the purchase order becomes valid.

We recognise that this was a case of the former CEO directing others to create purchase orders for his own purposes that had been misrepresented.

Having said that, it is also recognised that staff should be vigilant of others asking them to produce documents for a purpose that may appear to be slightly irregular. This awareness could be included in the development of a Fraud and Corruption Control Plan June 2023.

We also wish to make the point that Invoices are entered by a central Accounts Payable Officer which serves as a control mechanism to create a degree of separation between the purchasing officer and the entering of the invoice. This ensures that invoices are checked thoroughly by an additional officer for correct coding, purchasing authority and to ensure the correct processes are being followed. This aspect of internal control proved crucial in the detection of the corruption that occurred.

- f) Supplier Masterfile changes are not reviewed (2021) - As reported in July 2022, this procedure was implemented immediately.

10. In accordance with the *Local Government Act 1995*, the general meeting of electors is to be held on a day no later than 56 days after Council has adopted the Annual Financial Report, therefore Council would be required to hold the annual meeting of electors no later than Tuesday 16 May 2023 if the report is adopted at the 21 March 2023 Ordinary Council Meeting.
11. The Audit Committee, which is comprised of full Council, is to meet with the auditor during each financial year with such meetings able to be held via teleconference. The Chief Executive Officer arranged an audit exit interview for the audit committee with OAG and Moore Australia on 21 February 2023 via teleconference to discuss the 2021/22 audit findings.
12. The 2021/22 Annual Report will be submitted for Council consideration at the 18 April 2023 Ordinary Council Meeting.
