10.1.3 BUDGET AMENDMENT – COUNCIL VEHICLE PURCHASE

File Ref:**Applicant:** Not applicable**Location:** Not applicable**Disclosure of Officer Interest:** None**Date:** 5th September 2012**Author:** Brent Bailey – Deputy Chief Executive Officer**Authorising Officer:** Not applicable**Attachments:** Nil**Summary:**

This item discusses a proposed budget amendment to the asset acquisitions schedule to acquire a vehicle for the use of the Manager Recreation Services. The report recommends that Council amend the budget by redistributing funds amongst the plant replacement schedule.

Background:

In August 2012 Council advertised and subsequently offered the position of Manager of Recreation Services to a new employee. Through the recruitment process the position was also restructured and evidently will require a Council vehicle to perform its functions effectively.

The current budget does not provide provision for a vehicle and it is recommended that Council amend the budget to allow for the purchase of an appropriate vehicle up to \$34,000 exclusive of GST. This amount will afford a modest sedan style vehicle which will be purchased at the employee's commencement subject to Council approval.

Comment:

The following table represents the proposed amendments to the budget to finance the acquisition without affecting total asset net expenditure.

Asset Name	Net Budget Cost	Amendment	Comment
Light Commercial Extra Cab 4x4 - Ranger	\$24,000	- \$24,000	Defer this replacement until 2013/2014 – vehicle is in satisfactory condition to continue service.
Generator – Airport	\$25,000	- \$10,000	Reduce total purchase price by \$10,000 based on current quotes.

Summary:

Council has previously supported advertising the proposal to dispose of 95 Martin Street Ravensthorpe.

This report recommends approval of the disposal.

Background:

Following an offer from a former employee Mr Steven Ball to purchase their rented property, the Shire of Ravensthorpe has subsequently advertised its intent to dispose of the property by private treaty. The disposal was advertised locally from 15th September 2012 and there have been no formal submissions for or against the proposal from the community.

At the meeting on the 10th September 2012 Council resolved as follows ÷

Moved: Cr Lansdown Seconded: Cr Field

- 3) *That a sale price between \$150,000 and \$160,000 be adopted by Council.*

Comment:

In respect to part 3 of the Council resolution on the 10th September 2012 a price of \$155,000 was negotiated with the prospective purchaser. At the conclusion of advertising there were no submissions, disposal can now be determined by Council and the settlement process commenced.

Summary:

This item addresses the statutory process of transferring two properties into Council ownership following non-payment of rates, an unsuccessful public auction and 12 months of advertisement for sale by private treaty.

Background:

In accordance with the provisions of the Local Government Act 1995 the Shire has taken possession of both properties Lot 74 Morgans Street Ravensthorpe and Lot 242 Martin Street Ravensthorpe for non-payment of rates. If by the 18th October 2012 the Shire has not entered into a contract for sale for the properties then it can elect to transfer the properties to itself.

This report proposes to finalise the process of land transfer and write-off the outstanding rates and charges on each property.

Comment:

Advice from Council's solicitors notes that the Shire has undertaken all its obligations in regards to the statutory process for the transfer of land. To finalise the process the Shire will need to execute a T5 Transfer of Land document under common seal supported by a statutory declaration to affirm that the Shire has complied with provisions of Part 6 Division 6, Subdivision 6 of the Local Government Act 1995.

Council should be aware that the transfer of ownership will still incur additional expenses through legal costs, Landgate registrations and payment of outstanding amounts to other government departments or bodies such as the Water Corporation. These final amounts are not known until the settlement process is commenced.

Council has made a provision in the 2012/2013 budget to write off the rates associated with these properties. This write-off will improve Council's rates outstanding ratio and the transfer of ownership will increase Council's landholdings within the town of Ravensthorpe.

Should a private sale for either property be executed prior to 18th October 2012 then this report will be withdrawn from the Council agenda.

Summary:

This item addresses a request for a budget amendment to fund the purchase of two mobile security cameras using funds received from the Office of Crime Prevention which were unbudgeted.

Background:

Council has recently received a grant for \$5,000 which was the Office of Crime Prevention's contribution towards the Crime Prevention Report which Council commissioned in 2010. This funding was unbudgeted and provides Council with the opportunity to allocate the funds to projects. As the funding stems from a crime prevention project it is suggested that Council allocate the funds towards the purchase of two mobile CCTV cameras to address anti-social behaviour in Hopetoun and assist the Police in investigations.

Comment:

It is proposed that Council purchase two mobile CCTV cameras which can be mounted at various locations in the Shire and be relocated to address problem areas. The quotes received to date indicate that there are a variety of solutions which can provide CCTV for \$5,000.

Council has acknowledged various anti-social behaviour problems at the main street in Hopetoun and the installation of CCTV may be able to address some of the issues or provide the Police with evidence to prosecute offenders.

10.1.7 AIRPORT LAND LEASE - LOTS 759 AND 82 CORNER JERDACUTTUP ROAD AND RAVENSTHORPE/HOPETOUN ROAD**File Ref:****Applicant:** Not applicable**Location:** Not applicable**Disclosure of Officer Interest:** None**Date:** 26th September 2012**Author:** Brent Bailey – Deputy Chief Executive Officer**Authorising Officer:** Not applicable**Attachments:** Nil**Summary:**

This item seeks to invite tenders for the lease of land on Lots 759 and 82 Corner Jerdacuttup Road and Ravensthorpe/Hopetoun Road by lease. The current lease is due to expire in February 2013.

Background:

The Shire of Ravensthorpe has leased the farmland which surrounds the airport since 2006. The farmland is the balance of lot 759 and 82 corner Jerdacuttup Road and Ravensthorpe / Hopetoun Road which is not used for aerodrome operations.

At the Ordinary Council meeting on the 28th July, 2009, Council resolved as follows:

“That in accordance with the Local Government Act, 1995, the Chief Executive Officer invite tenders for the disposal of Lots 759 and 82, Corner Jerdacuttup Road and Ravensthorpe/Hopetoun Road by lease, with the following conditions:

- *lease term – 3 years, commencing 1st February, 2010;*
- *control of Lovegrass be the responsibility of the lessee;*
- *the current lessee be permitted to harvest existing crops;*
- *all rates and taxes to be the responsibility of the lessee; and*
- *other conditions to the satisfaction of the Chief Executive Officer.”*

Subsequent to the tender process the lease was awarded to Blue Hills Grazing Trust who has managed the land amicably during their lease period. With the lease due to expire in February 2013 it is important that arrangements be put in place to either re-negotiate the lease and advertise as a private treaty transaction or re-tender the lease in the open market.

Comment:

Council’s Town Planning Officer is currently investigating the subdivision and potential sale of a portion of this land however it is not anticipated that a subdivision process would be complete within 1-2 years. As such it is suggested that the lease term this time be 1 year with a 1 year option which would allow adequate time for the future of this property to be resolved and continuation of the lease for the second year if required.

Summary:

The Electoral Commission has commenced planning for the 2013 Local Government Elections. Given the successful operation of the 2011 Shire of Ravensthorpe elections, it is recommended that the Electoral Commissioner is again appointed to be responsible for the 2013 Ordinary Election.

Background:

The West Australian Electoral Commission has commenced planning for the 2013 Local Government postal elections and has invited the Shire of Ravensthorpe to utilise its services in conducting these elections.

The current procedure required by the Local Government Act 1995 is that written agreement from the Electoral Commissioner has to be obtained before the Shire can declare that the Electoral Commissioner will be responsible for elections. The Commissioner has agreed to be responsible for the conduct of the ordinary elections in October 2013 for the Shire of Ravensthorpe in accordance with Section 4.20(4) of the Local Government Act 1995. The Electoral Commissioner will only conduct the election if the method is a postal election.

In order to achieve this, the following two motions need to be passed by absolute majority:

1. Declare, in accordance with Section 4.20(4) of the Local Government Act 1995, the Electoral Commissioner to be responsible for the conduct of the 2013 ordinary elections together with any other elections or polls which may be required.
2. Decide, in accordance with Section 4.61(2) of the Local Government Act 1995 that the method of conducting the 2013 election will be as a postal election.

Comment:

The Electoral Commission states higher turnout figures that clearly indicate that electors are more prepared to vote in postal elections; and cite the following advantages:

Advantages for electors

1. Convenience of casting a vote in their own homes – particularly for disabled and aged voters and those without access to transport.
2. Provision of candidate profiles to each elector to assist in their decision-making.
3. Time to contact candidates and make an informed decision.

4. Reduced costs in time and travel in casting a vote.

Advantages for candidates

1. Availability of an experienced Returning Officer “at arms length” from Local Government business.
2. Detailed candidates’ guides prepared by the Electoral Commission.
3. An opportunity to reach all eligible electors at no cost through the candidate profile.
4. Confidence that the election is being run by the State’s independent Electoral Commission.
5. Elected candidates have an increased support base.

Advantages for the Local Government

1. All eligible electors are given information about the election.
2. Electors can vote more easily as there are virtually no barriers to voting.
3. Elections are seen to be conducted by the impartial Western Australian Electoral Commission.
4. The workload for the CEO is reduced in an area that is not core business.
5. The vast majority of elector and candidate enquiries are received and resolved by either the Returning Officer or the Electoral Commissioner
6. Statutory requirements are fulfilled.
7. A full election report (including statistics) is prepared by the Electoral Commission for presentation to Council.
8. Materials and equipment used in the processes meet contemporary electoral standards.
9. Economies of scale can reduce some of the costs.
10. Elected Councillors have a high level of support from the local community.

* Absolute majority required.

- (4) A decision under subsection (2) has no effect unless it is made after a declaration is made under section 4.20(4) that the Electoral Commissioner is to be responsible for the conduct of the election or in conjunction with such a declaration.

Section 4.20 (4) of the Act states as follows:

- (4) A local government may, having first obtained the written agreement of the Electoral Commissioner, declare* the Electoral Commissioner to be responsible for the conduct of an election, or all elections conducted within a particular period of time, and, if such a declaration is made, the Electoral Commissioner is to appoint a person to be the returning officer of the local government for the election or elections.

Summary:

Council is required to undertake a review of the ward system and representation in the Shire of Ravensthorpe. To commence the process Council must first resolve to undertake a review. This report recommends accordingly.

Background:

Schedule 2.2 of the Local Government Act, 1995 requires Local Government with Wards to carry out reviews of the Ward boundaries and the number of Councillors for each ward from time to time so that no more than eight years elapse between successive reviews.

The last such review in the Shire of Ravensthorpe was undertaken on 2008. At the 18 December, 2008 meeting Council resolved as follows:

A. That:

1. *The Ward and representation review report dated November, 2008 be adopted;*
and
2. *In accordance with schedule 2.2(a) Of the Local Government Act 1995, it is recommended to the Local Government Advisory Board that:*
 - (a) *The current seven offices of councillor for the Shire be maintained.*
 - (b) *Based on the preference expressed through the public consultation process the Shire retain a ward system.*
 - (c) *The ward system change from three wards to two wards wherein:*
 - *Current Ravensthorpe and Rural Wards are combined to form one ward, and*
 - *Hopetoun Ward be retained with its existing boundary.*
 - *The new Ward names be as follows:*

Existing Name**New Name**

*Ravensthorpe and Rural Wards
Hopetoun*

*Hinterland
Coastal*

- B.** *That the Local Government Advisory Board be advised that Council does not support a complete spill of Councillors if the recommended changes to the ward system are approved by the board.*

The Local Government Advisory Board approved the changes however with the closure of the Ravensthorpe Nickel Operation in January, 2009 and the subsequent reduction in population, particularly in Hopetoun, the Local Government Advisory Board at Council's request did not implement the changes.

Through the proposed Munglinup boundary adjustment with the Shire of Esperance, the Local Government Advisory Board identified the need for the Shire of Ravensthorpe to review the wards and representation and in accordance with Clause 6 (3) of Schedule 2.2 of the Local Government Act, 1995 requested the Shire to conduct a review.

The Shire's Councillor to elector ratios at the time of the October, 2011 elections were

Ward	Number of Councillors	Number of Electors	Councillor to Elector Ratio	% Ratio Deviation
Hopetoun	2	556	278	- 59.90%
Ravensthorpe	2	237	119	+ 31.84%
Rural	3	424	141	+ 18.71%
TOTAL	7	1,217	174	

Comment:

The review process involves a number of steps:

- Council resolves to undertake the review.
- Public submission period opened.
- Information provided to the community for discussion.
- Public submission period closes.
- Council considers submissions.
- Council submits a report to the Local Government Advisory Board for its consideration.
- If changes are proposed the Local Government Advisory Board submits the proposal to the Minister for Local Government.

If any changes are approved the aim is to have them in place in time for the annual election in October, 2013.

When considering changes to wards and representations, Schedule 2.2 of the Local Government Act specifies factors that must be taken into account by a Local Government as part of the review process.

1. Community of Interest.
2. Physical and topographic features.
3. Demographic trends.
4. Economic factors.
5. Ratio of Councillors to electors in the various Wards.

The position of the Local Government Advisory Board and the Minister for Local Government is that changes to ward boundaries and representation that result in Ward Councillor/Elector ratios that are greater than plus or minus 10% of the average Councillor/Elector ratio for that Local Government will not be considered, similarly situations with ratios outside the 10% should be addressed.

A draft discussion paper has been prepared and is attached for Council's consideration.

Council may wish to include further options to be assessed.

Council should now resolve to carry out a review of the ward boundaries and the number of councillors for each ward.

Consultation:

In accordance with Council policy G19 the following public consultation plan is proposed.

 - Hopetoun Resource Centre
 - Ravensthorpe Resource Centre
- Local public notice of public meetings and submission period, once in the Esperance Express and once in the Community Spirit.

Statutory Obligations:

- a) That the review is to be carried out; and
- b) That submissions may be made to the Local Government before a day fixed by the notice, being a day that is not less than six weeks after the notice is first given.

Policy Implications:

Nil

Budget / Financial Implications:

The review is to be undertaken in house involving administration costs and advertising of approximately \$3,000.

Funds are included in the 2012/2013 budget for this purpose. Depending on what option is adopted after the review and whether a complete spill of councillors is required there may be additional election costs. This would be budgeted for in the 2013/2014 year.

Strategic Implications:
