13.1 Gifting of Land to House Future East Ravensthorpe Bushfire Brigade Station – Mr Rodney Daw and Mrs Lynette Daw

File Reference: GR.SL.32
Location: Oldfield Location 608
Applicant: Rodney and Lynette Daw
Author: Manager Governance & Compliance
Authorising Officer: Chief Executive Officer
Date: 8 December 2020

Attachments: Offer of Land – Mr Rodney Daw and Mrs Lynette Daw (Attachment White)

Summary:

This report recommends Council consider accepting the gifting of half an acre (2,000sqm approx) of land on Oldfield Location 608, South Coast Highway, Ravensthorpe by Mr Rodney and Mrs Lynette Daw. The provision of land is to allow for the development of a future Bushfire Brigade Station to support the East Ravensthorpe Brigade.

Background:

Mr and Mrs Daw wrote to the Chief Executive Officer of the Shire of Ravensthorpe on 18 November 2020 seeking to donate half an acre (2,000sqm approx.) to the west of their homesteads main entrance.

Mr Daw has served the Ravensthorpe District Bushfire Brigade for 60+ years, 40 years as Chief Bushfire Control Officer. Located within the East Ravensthorpe (formally Bandalup) Brigade, this Brigade is without a dedicated Bush Fire Truck. A similar situation exists for the North Ravensthorpe Brigade and despite numerous requests for the funding of a dedicated Fire Truck to be provided via the Emergency Services Levy (ESL) this has been unsuccessful to date.

Currently the North and East Ravensthorpe Bushfire Brigades rely on the use of High Fire season appliances, which pending its release from the northern bushfire season is when the appliance is received by the respective Brigades.

Feedback received by Shire Officers and the Chief Bushfire Control Officer is that funding would be more likely to be received if the units can be accommodated in fit for purpose Brigade Station to house the units and support volunteers.

In order to seek suitable funding through FESA for a Brigade Station it is more likely to be approved where it is to be located on Crown or Shire Land.

Comment:

It should be noted that a report on gifting of the Chief Bushfire Control Officer former vehicle to Mr Daw is listed in a separate report contained within this Ordinary Council Meeting Agenda. In no way are these two matters considered, or to be inferred as consideration for the disposition of either property, this is evident by the nominal value of the vehicle itself being \$500.

Consultation:

Elected Members.
Executive Team.

Statutory Environment:

Section 9.49A of the *Local Government Act 1995* authorises the Chief Executive Officer and Shire President to sign the contract of sale documentation.

Policy Implications:

There are no Policy Implications.

Financial Implications:

There will be nominal costs associated with the formal survey and subdivision of land as part of this gifting of land. Costs will also include nominal legal expenses associated with the procedural dealings as they relate to this matter.

Strategic Implications:

The availability of land that can be “shovel ready” for a Brigade Station will make the Shires application more competitive. Once the Brigade Station is developed it will also make the supply of dedicated Bushfire Brigade units more favourable to be funded permanently as part of the Emergency Services Levy.

Sustainability Implications:

- **Environmental:** There are no known significant environmental considerations.
- **Economic:** There are no known significant economic considerations.
- **Social:** There are no known significant social considerations.

Previous Reference:	Item 10.2.2 – Ordinary Council Meeting – 20 August 2019

Summary:

Council to consider supporting draft Amendment No. 3 for approval subject to modifications as a result of the public consultation that was undertaken.

Background:

Notice of Final Approval of the Shire of Ravensthorpe Local Planning Scheme No. 6 (“the Scheme”) was published in the Government Gazette on 11 July 2017.

Council initiated Amendment No 3 to Local Planning Scheme No.6 at its Ordinary Council Meeting of the 20 August 2019 (Resolution 85/19).

The amendment was forwarded to the Environmental Protection Agency (EPA) for comment and the Department of Planning, Lands and Heritage (DPLH) for consent to advertise.

Advertising was commenced on the 29 August 2020 and closed on 10 November 2020 being a period of 73 days.

The amendment is now brought back for Council to consider the submissions and in accordance with Regulation 41(3)(b) of *the Planning and Development (Local Planning Schemes) Regulations 2015* support the draft Amendment No. 3 with proposed modifications to address issues raised in the submissions.

Comment:

This omnibus amendment details numerous modifications to the Scheme.

The modifications fall into the following categories:

1. Inserting new reserve classifications and associate provision and map modifications;
2. Amending the Scheme map to reflect accurate reservations for Shire managed reserves;
3. Inserting the ‘Commercial’ zone and associated provisions;
4. Removing the ‘Rural Townsite’ zone and associated provisions;
5. Reviewing land use permissibility’s within Clause 3.2;
6. Inserting ‘Commercial Vehicle Parking’ into the zoning table and amend associated provisions;
7. Amending the Scheme in relation to additional dwellings on farms;
8. Inserting provisions relating to ‘Outbuildings’;
9. Combining the vegetation protection provisions for rural residential and rural smallholdings as new clause and inserting reference to the Proteaceae Dominated Kwongkan Shrubland;

10. Amending the Scheme to delete duplications with the matters to be considered in the Deemed Provisions;
11. Amend exemption to Clause 61.(1) to include all fences in accordance with an adopted Fencing Local Law;
12. Inserting provisions for parking separated from development and arbitration clauses for cash in lieu of parking spaces;
13. Amending the Scheme by replacing the current 'SCA1 – Infrastructure (Water Supply Protection Area)' within Table 12 and amending the Scheme map accordingly; and
14. Updating numbering throughout the Scheme where required.

A full copy of the amendment documentation is attached.

Proposal:

2.1 Amend the Scheme by replacing Clause 2.2.3 with a table

It is proposed to reformat Clause 2.2.3 so that the reserve objectives appear in a table consistent with the format in the related Clause in Schedule 1 of the Planning and Development (Local Planning Schemes) Regulations 2015. Provision for 'Civic and Community', 'Emergency Services', 'Car Park' and 'Drainage / Waterway' are also inserted as per the reserve objectives as stipulated in Schedule 1 of the Planning and Development (Local Planning Schemes) Regulations 2015.

2.2 Amend the Scheme by inserting a new Additional Use for a Reserve into the table under Clause 2.3

A portion of Reserve 7369 has been developed with a 'Child Care Premise'. As this reserve is classified as 'Public Open Space' on the Scheme Map it is appropriate to insert the use as an additional use on a reserve under Clause 2.3 of the Scheme.

2.3 Amend the Scheme Map by applying 'AR2' to a portion of Reserve 7369

This modification relates to the placement of the new entry into Clause 2.3 on the Scheme Map as outlined in Amendment point 2.2.

2.4 Amend the Scheme by inserting a new Additional Use for a Reserve into the table under Clause 2.3

Reserve 33638 has been developed as a 'Single House'. With the proposed change in classification under Amendment point 2.103 it is appropriate to recognise the use by including an additional use on a reserve under Clause 2.3 of the Scheme.

2.5 Amend the Scheme Map by applying 'AR3' to Reserve 33638

This modification relates to the placement of the new entry into Clause 2.3 on the Scheme Map as outlined in Amendment point 2.4.

2.6 Amend the Scheme by replacing Clause 3.1.2 with a table

It is proposed to reformat Clause 3.1.2 so that the zone objectives appear in a table consistent with the format in the related Clause in Schedule 1 of the Planning and Development (Local Planning Schemes) Regulations 2015.

This change also takes into account the removal of the Rural Townsite zone from the Scheme and the introduction of the 'Commercial' zone.

2.7 Delete the zone 'Special Use' from the 'Zoning Table' in Clause 3.2

This modification proposes to remove the 'Special Use' column from the zoning table as Special Uses are dealt with under Clause 3.6 and the associated Schedule of the Scheme and are not shown in the zoning table.

2.8 Amend the Scheme by inserting 'Commercial' as a Zone with the permissibilities currently assigned for the 'Rural Townsite' zone

It is proposed to rename the current 'Rural Townsite' zone as the 'Commercial' zone and as such the permissibilities in this zone are taken directly from the current permissibilities of the 'Rural Townsite' zone.

2.9 Amend the Scheme by deleting all reference and/or provisions relating solely to the Rural Townsite zone from the Scheme as required, including on the Scheme Maps

With the proposed renaming of 'Rural Townsite' zone as the 'Commercial' zone provisions relating solely to the Rural Townsite zone from the Scheme as required, including on the Scheme Maps.

2.10 Amend the Scheme by amending the permissibility of 'Telecommunications Infrastructure' from 'A' to 'D' in the 'General Industry' zone in Clause 3.2

This modification is proposed to increase compliance with State Planning Policy 5.2 by showing 'Telecommunications Infrastructure' as a 'D' use in the 'General Industry' zone.

2.11 Amend the Scheme by amending the permissibility of 'Workforce Accommodation' within the 'Residential' zone to 'X' and within the 'Light Industry' zone to 'D' in Clause 3.2

This modification proposes to amend the permissibility of 'Workforce Accommodation' within the 'Residential' and 'Light Industry' zones.

'Workforce Accommodation' is currently an 'A' use in the 'Residential' zone. Given the potential impact of this form a development on residential amenity it is considered inappropriate to allow this use in the 'Residential' zone. It should also be noted that prevailing residential densities within the Shire would severely limit the commercial viability of the use within this zone.

'Workforce Accommodation' is currently a 'X' use in the 'Light Industry' zone. Given the land demands as well as the potential impact of this form a development on residential amenity it is considered an appropriate land use for the 'Light Industry' zone.

2.12 Amend the Scheme by amending the permissibility of 'Exhibition Centre', 'Reception Centre', 'Recreation - Private', and 'Veterinary Centre' within the 'Residential' zone to 'X' in Clause 3.2

This modification proposes to amend the permissibilities of 'Exhibition Centre', 'Reception Centre', 'Recreation - Private', and 'Veterinary Centre' within the 'Residential' zone.

2.13 Amend the Scheme by amending the permissibility of ‘Single House’ within the ‘Rural Residential’ and ‘Rural Smallholdings’ zones to ‘D’ in Clause 3.2

This modification is proposed to reflect that all ‘Single House’ development in the ‘Rural Residential’ and ‘Rural Smallholdings’ zones have specific development standards and requirements for building envelopes which generally result in the need for development approval to be sought and as such the proposed change will remove the exemption that is applied under Schedule A Clause 61 within these zones.

2.14 Amend the Scheme by replacing clause 4.40

‘Outbuilding’ is defined under the Scheme (Cl 6(2)(b)) as having the same meaning as it has in the R-Codes:

‘Outbuilding’ – An enclosed non-habitable structure that is detached from any dwelling.

This means that although detached from a dwelling an ‘Outbuilding’ should be on the same lot as the dwelling.

It is proposed to introduce a relaxation through Scheme provision in the ‘Residential’ and ‘Rural Residential’ zones so that an outbuilding can be approved before a dwelling is constructed subject to there being approval issued for the development of a dwelling on a lot.

2.15 Amend the Scheme by replacing in Clause 4.9

The modification amends this clause to remove the current reference to ‘Schedule 3 sets out requirements relating to development that are included in structure plans, activity centre plans and local development plans that apply in the Scheme area’ as there are no additional requirements that apply to the Scheme in this respect. The current clause creates an error as it currently references the ‘Rural Residential’ special provisions which are currently in Schedule 3.

2.16 Amend the Scheme by replacing ‘Rural Townsite’ with ‘Commercial’ in the heading in clause 4.12

This modification is required as a result of replacing the current ‘Rural Townsite’ zone with the ‘Commercial’ zone as outlined in Section 2.8 of this Amendment Document.

2.17 Amend the Scheme by replacing ‘Rural Townsite’ with ‘Commercial’ in Clauses 4.12.2, 4.12.3, 4.12.4 and 4.12.5

This modification is required as a result of replacing the current ‘Rural Townsite’ zone with the ‘Commercial’ zone as outlined in Section 2.8 of this Amendment Document.

2.18 Amend the Scheme by Deleting Clause 4.12.1 and renumbering the Scheme accordingly

This modification is proposed as the clauses requirement to consider a local planning policy is already provided for in Clauses 3(5) and 67 of the Deemed Provisions (set out in the *Planning and Development (Local Planning Schemes) Regulations 2015* Schedule 2).

2.19 Amend the Scheme by deleting the second ‘;’ in clause 4.14.1.2(a)

This modification is proposed to correct a typographical error.

2.20 Amend the Scheme by replacing clause 4.14.1.2 a new clause

This modification is proposed to clarify where additional dwellings can be constructed on ‘Rural zoned land. The Scheme currently allows for no more than three dwellings to be constructed on ‘Rural’ zoned land. This creates an issue as there are a number of smaller rural lots that are not suited to grouped dwelling development. To resolve this situation a new clause is proposed so that additional dwellings will only be permitted where a lot has an area of 50ha or greater. This also makes a ‘Grouped Dwelling’ a ‘D’ use in the ‘Rural’ zone.

2.21 Amend the Scheme by replacing ‘Regulations’ with ‘Deemed Provisions’ in Clause 4.14.3.1

It is proposed to replace ‘Regulations’ with ‘Deemed Provisions’ in Clause 4.14.3.1. This is done to ensure the correct clause is referenced as the ‘Deemed Provisions’ is the correct defined reference for Schedule 2 of the *Planning and Development (Local Planning Schemes) Regulations 2015*.

2.22 Amend the Scheme by deleting subclause (a), (c) to (f), and (h) to (j) in Clause 4.14.3.1

This modification is proposed as the matter to be considered in this clause is adequately contained within Clause 67 of the Deemed Provisions and the current clause is a duplication.

2.23 Amend the Scheme by replacing ‘additional site and development requirements for areas covered by a structure plan, activity centre plan or local development plan in’ with ‘provisions of’ in Clause 4.15.1

This modification is required as the reference to ‘additional site and development requirements for areas covered by a structure plan, activity centre plan or local development plan in’ is incorrect as outlined in Section 2.20 of this Amendment Document.

2.24 Amend the Scheme by replacing ‘10% of the lot area, or 2,000m²’ with ‘20% of the lot area, or 4,000m²’ in Clause 4.15.3.2 b)

This modification is proposed as 10% of the lot area, or a 2,000m² building envelope results in variation being required more often than not. The constraints on the subject land are not such that increasing the size of the building envelope will have a delirious affect and it will have a further benefit in improving fire management by allowing for a greater low fuel area around buildings.

2.25 Amend the Scheme by inserting ‘in the Rural Residential and Rural Smallholdings zones’ after the word ‘vegetation’ Clause 4.15.8 (a)

This modification is proposed as a simplification of the Scheme text as common clauses exist in relation to vegetation protection in both the ‘Rural Residential’ and ‘Rural Smallholdings’ zones.

2.26 Amending the Scheme by inserting a new subclause into Clause 4.15.8

In January 2014, the Australian Government Minister for the Environment listed the Proteaceae Dominated Kwongkan Shrubland ecological community after considering the advice of the Threatened Species Scientific Committee.

During a rigorous assessment, the scientific evidence supported as it met the eligibility criteria for listing as endangered under national environment law.

The ecological community is intolerant of frequent disturbance due to land modification and clearance. A reduction in the integrity of the ecological community is evident from observations of dieback due to plant pathogens, effects of altered fire regimes, weed invasion, fragmentation and the subsequent decline or changes to flora and fauna within the ecological community. A reduction in community integrity results in changes to both the species composition and ecological processes that maintain the ecological community. If these changes are ongoing, some native species may persist, but it could lead to the eventual loss of a naturally functioning ecological community overall.

As a result of this provision a condition will be placed on any development where there is a potential presence of Proteaceae Dominated Kwongkan Shrubland.

2.27 Amending the Scheme by moving Clause 4.15.8 to a new clause before Clause 4.17 with the title 'Vegetation Protection'

This modification is proposed as a simplification of the Scheme text as common clauses exist in relation to vegetation protection in both the 'Rural Residential' and 'Rural Smallholdings' zones.

2.28 Amending the Scheme by deleting Clause 4.16.8

This modification is proposed as a simplification of the Scheme text as common clauses exist in relation to vegetation protection in both the 'Rural Residential' and 'Rural Smallholdings' zones. This deletes the clause that is now referenced in the new clause referenced in Section 2.27 of the Amendment Document.

2.29 Amend the Scheme by deleting 'On land within the Rural, Residential, Mixed Use or Rural Townsite Zones' in Clause 4.17.1

This modification proposes to remove the land uses from the provision relying on the zoning table in 3.2 to determine permissibility and using the clause to apply to all 'Workforce Accommodation' proposals within the Scheme Area.

2.30 Amending the Scheme replacing clause 4.17(d)

This modification is proposed to ensure that development for 'Workforce Accommodation' complies with the Development Standards in Schedule 4 – Development Standards by Zone.

2.31 Amend the Scheme by replacing the heading of Clause 4.18 with 'Holiday Accommodation, Holiday House and Bed and Breakfast Requirements'

This modification is required to reflect the land uses to which the revised clause applies.

2.32 Amending Clause 4.18.1 by deleting ‘not exceed 100 square metres per dwelling and’, by inserting after ‘holiday accommodation’ ‘holiday house or bed and breakfast’ and inserting a reference to Clause 67 of the Deemed Provisions

This modification simplifies the clause and allows a more flexible approach to be undertaken using the Local Planning Policy framework.

This modification also proposes to extend the application of this clause to the specified land uses and is consistent with modification made to the title of Clause 4.18 as outlined under Section 2.31 of this amendment.

A further amendment is proposed to clarify that the considerations listed are in addition to those listed in Clause 67 of the deemed provisions.

2.33 Amend the Scheme by deleting Clauses 4.18.3 to 4.18.5

This modification is proposed as the requirement for parking for a specific development is outlined in Schedule 4 and 6 of the Scheme. The current clause (4.18.3) does not reference these schedules and does not stipulate how many additional parking bays are required.

Clause 4.18.4 is proposed to be deleted as a simplification of the approval process. The same result can be achieved through compliance with appropriate conditions.

Clause 4.18.5 is proposed to be deleted as the zoning table in Clause 3.2 identifies the appropriate zones for these uses.

2.34 Amend the Scheme by inserting a new Clause 4.18.3

This modification introduces a new provision stating that where Bed and Breakfast or Holiday House uses are proposed, the site is to be connected to reticulated sewerage or the effluent disposal systems are to be of suitable quality and size.

2.35 Amend the Scheme by inserting a new Subclause 4.19.5(c)

This modification inserts a new arbitration provision into the cash-in-lieu section of the Scheme so that the matter may be referred to arbitration in accordance with the provisions of the *Commercial Arbitration Act 2012* where an owner or developer objects to the amount of the costs and values determined by the local government.

2.36 Amend the Scheme by inserting a new clause before clause 4.20

This modification introduces a new provision providing for parking separated from development and expanded provisions for cash-in-lieu. The replacement provision provides for a much more robust approach to dealing with cash-in-lieu.

2.37 Amend the Scheme by renaming Schedule 3 to ‘Schedule 3 - Rural Residential – Special Provisions’

This modification to the Scheme is required to ensure the Schedule title reflects that it contains the Rural Residential - Special Provisions rather than the current incorrect heading.

2.38 Amend the Scheme by deleting Clause 4.25.3

This modification removes an existing provision relating to consent for lodging development applications which duplicates the deemed provisions.

2.39 Amend the Scheme by inserting a new clause 4.25.5

This modification provides an exemption in relation to the height of telecommunications infrastructure which is consistent with the modifications that are proposed to Clause 4.31.1.

2.40 Amend the Scheme by deleting ‘and structures’ and ‘or structures’ from subclauses as required, replacing ‘height limits’, ‘height limitations’ and ‘limit’ with ‘building height’ in the subclauses within Clause 4.31 and replacing ‘4.30.1’ with ‘4.31.1’ within subclauses 4.31.2 and 4.31.3

This modification is proposed to remove ‘and structure’ so that the clause only relates to building height as well as replacing ‘height limits’, ‘height limitations’ and ‘limit’ with ‘building height’.

This modification is proposed to correct an incorrect clause reference within Clause 4.31.2 and 4.31.3.

2.41 Amend the Scheme by replacing by Clause 4.33

This modification is required as ‘Mining Operations’ is currently listed as a ‘D’ use in Table No. 4 - Zoning and Land Use Table. The requirement for approval under the Scheme is in error as Section 120 of the *Mining Act 1978* exempts ‘Mining Operations’ from the requirement for development approval and will be determined in accordance with the *Mining Act 1978*.

Current planning practice is to apply an asterisk against the ‘*D’ use stating:

*‘Mining operations’ covered by the Mining Act 1978 is exempt from the requirement for development approval and will be determined in accordance with the Mining Act 1978.

Whilst it is proposed to retain the above asterisk against the ‘*D’ use it is considered that this is a flawed approach as it does not address the fact that the land use is not exempted by either the Scheme or Clause 61 of the Deemed Provisions. This amendment provides an opportunity to review this clause in the absence of the Asterisk’s.

The proposed modification exempts this use but mandates that the shire is consulted with regards to the Local Planning Scheme and Local Planning Strategy. The proposed is legally valid and represents an improvement in the manner that ‘Mining Operations’ are dealt with in the Scheme.

2.42 Amend the Scheme by modifying SCA1 within Table 12

This modification replaces the current ‘SCA1 – Infrastructure (Water Supply Protection Area)’ within Table 12 and introduces a new SCA1 as a clause within Schedule 2.

The new proposed Special Control Area represents best practice for the implementation of State Planning Policy 2.7 – Public Drinking Water Source Policy and is consistent with the Department of Water and Environmental Regulation’s Water Quality Protection Note 25 - Land Use compatibility in Public Drinking Water Source Areas.

A provision is also included within the Special Control Area to allow a basic amendment to be undertaken when any Public Drinking Source Area within the Scheme Area is finalised by the Department of Water and Environmental Regulation

- 2.43 Amend the Scheme Map to show the Public Drinking Source Priority Areas and Wellhead Protection zones as shown in the Hopetoun Water Reserve Drinking Water Source Protection Review – WRP 157

This modification introduces the map modification that correlates with the amended provisions for Special Control Area No. 1 introduced under Amendment point number 42.

- 2.44 Amend the Scheme by replacing in Additional Provision ‘3.’ of SCA2 ‘Schedule 3’ with ‘Clause 4.9 and Schedule 3’

This modification is required as the reference to Schedule 3 is removed by Clause 4.9 by this Amendment.

This modification is proposed to incorporate the ‘Residential’ zone into Schedule 2 with development in accordance with the Residential Design Codes.

This modification is proposed to rename the ‘Rural Townsite’ zone to ‘Commercial’ in Schedule 2 to reflect the changes as outlined in Section 2.8 of this Amendment Document.

- 2.47 Amend the Scheme by moving footnote (i) in Schedule 2 and amending the word ‘adjoin’ to ‘adjoins’ in the table to a new row under the ‘Tourism’ use with the same format as the ‘Rural Smallholdings’ zone

- 2.50 Amend the Scheme by replacing within Clause 4.8.1 ‘the clauses 4.12 to 4.33’ with ‘clause 4.12 onwards’

- 2.55 Amending the Scheme by replacing Schedule A Clause 61(1)(m) with 'The erection of a boundary fence in accordance with an adopted Fencing Local Law'

This modification adds a new exemption for fencing where it is accordance with the Fencing Local Law. This retains the intent of the exemption that was modified under Section 2.54 of this report.

- 2.56 Amending the Scheme by replacing within Schedule A Clause 61(1)(o) 'The placement of a shipping container on a lot except where it is:' with 'The placement of a shipping container on a lot only where it is'

- 2.57 Amend the Scheme by renumbering the clauses within the Scheme and any associated renumbering throughout the Scheme; formatting the numbering to follow the same format as the Deemed Provision

15.3 Disposal of Chief Bushfire Control Officer Vehicle

File Reference:	GR.SL.32
Location:	N/A
Applicant:	N/A
Author:	Manager Governance & Compliance
Authorising Officer	Chief Executive Officer
Date:	8 December 2020
Disclosure of Interest:	Nil
Attachments:	Nil
Previous Reference:	Nil

Summary:

This report recommends Council consider disposition of the vehicle assigned to the Chief Bushfire Control Officer which has exceeded its end of life service in conducting duties assigned to the role.

Background:

The Chief Bushfire Control Officer operates a supplied Shire of Ravensthorpe fleet vehicle being a 2009 Ford Ranger Manual 3.0ltr 4WD. This vehicle has an odometer reading of 325,000km's and was recently assessed for serviceability with the car being identified as being uneconomical to repair.

Given the nature of the duties performed and the high risk environment that the Chief Bushfire Control Officer's vehicle must operate in, it must be reliable at all times so as not to cause harm to the operator of the vehicle or members of the public.

A valuation of the vehicle was undertaken through Esperance Motor Group Pty Ltd (Trading as Esperance Toyota, Esperance Ford and Esperance Holden). Advice received confirmed that the vehicle would require too much reconditioning to make it a saleable vehicle and that they would only accept the vehicle as a trade in at a nominal value of \$500.

Whilst identified in the Shire of Ravensthorpe Plant Replacement Program - 2018 to 2040, this vehicle is not identified for replacement in future years.

It is proposed to provide the Chief Bushfire Control Officer with one of three Toyota Hi-Lux workmates previously proposed for trade in as part of the plant replacement 2020/21 program.

The intent is to honour the existing agreement with the long standing Chief Bushfire Control Officer for the provision of a vehicle, however this will be reviewed prior to appointment of any replacement Chief Bushfire Control Officer which will confirm alignment with industry standards.

Comment:

The disposal of Shire owned goods or property is to be disposed of in accordance with the provisions of Section 3.58 of the *Local Government Act 1995*; either by:

- (a) Public auction;
- (b) Public tender; or
- (c) Local public notice of intention to dispose (including details and consideration of submissions thereon) Under Regulation 30 of the Local Government (Functions and General) Regulations 1996, an exemption applies where the property to be disposed of;

- Has a market value less than \$20,000; or
- Is disposed of as part of the consideration to acquire assets whose total value (or worth) is less than \$75,000 (ie traded in).

Given the nominal value of the vehicle, Council may consider disposal as it applies under Council Policy - F6 Disposal of Minor Surplus Assets.

Under the Council Policy the Chief Executive Officer is to determine the most efficient method of disposal taking into consideration the costs associated with disposal.

As a general guideline the following approach is to apply based on the estimated value of the property,

Thresholds	Description of process
\$10,001 - \$20,000	Local public notice calling for expressions of interest.
\$1,001 - \$10,000	Seek three offers (if possible) from likely purchasers.
\$1,000 or less or of no commercial value	Internal expressions of interest or alternatively, by way of a donation to a not for profit.

Mr Daw (Chief Bushfire Control Officer) has expressed interest in purchasing the vehicle. Given Mr Daw has served the Ravensthorpe Fire Brigade for 60+ years, 40 years as Chief Bushfire Control Officer, it is recommended that the vehicle be gifted to Mr Daw in recognition of his commendable service.

Summary:

This report recommends Council consider and endorse the review of the Shire of Ravensthorpe 2020 Delegated Authority Register. The objectives of the review are to:

- Ensure the Shire has effective and clear delegations;
- Are aligned to current legislation and allow for effective statutory authorisations; and
- Improve operational efficiency by ensuring decision making is scalable to Council's own decision making tolerances.

Background:

Under the Chief Executive Officers initiative to enhance good governance the Shire has been undertaking an organisational review of all governance related matters in liaison with Elected Members.

There are over 170 separate pieces of legislation in Western Australian law that assign a statutory power or duty to local government. Each power or duty described in legislation will require a local government to fulfil a mandatory duty or use a discretionary power to make a decision.

Parliament recognised that it would be unreasonable and impossible for every decision and every duty to be fulfilled by Council of each local government. Processes were therefore legislated to enable local governments to pass on decision making powers and duties to others.

Delegations by Council are an effective way to reduce red tape and improve customer satisfaction through prompt decision-making processes. Using the power of delegation appropriately assists local governments to deal with a wide range of operational matters that are minor, administrative in nature and potentially time consuming.

Certain safeguards are incorporated into delegations such as limiting the use of when a delegation can be exercised.

The *Bush Fires Act 1954* provides power under s.48 Delegation by local government. A delegation under this section does not include the power to sub delegate. Some specific sections of the Act delegate direct to the Shire President and the Chief Fire Control Officer.

Sections 5.16 and 5.42 of the *Local Government Act 1995* (the Act), prescribe that Council may delegate its powers or duties to a Committee of Council or the Chief Executive Officer (CEO).

Sections 5.17 and 5.43 of the Act respectively, outline the limitations on such delegations. The review of the Shire's existing delegations are presented in line with the below principles:

- Operational requirements and efficiencies; and
- Compliance and statutory decision-making requirements.

The outcome of this review is presented for Council to fulfil its obligation to review delegations at least once per financial year in accordance with sections 5.18 and 5.42 of the Act.

Comment:

A Delegation does not prevent the CEO from referring a matter to Council, and after the gathering of professional advice may decide a matter does require a decision of Council.

Delegations are to be read within the context of the Act and decisions are to be made within the limitations placed on the use of the power under the relevant section.

13.5 Management Agreement – Community Housing – 29 Dunn Street, Ravensthorpe

Previous Reference:	Item 5.3, Management Agreement – Community Housing – 29 Dunn Street, Ravensthorpe, Special Council Meeting, 7 July 2020

Summary:

This report recommends Council consider authorising the Chief Executive Officer to be granted Delegated Authority to formally conclude the periodic expired agreement with Advance Housing for the management of Community Housing at 29 Dunn Street, Ravensthorpe.

This report also recommends Council note the undertaking of associated work improvements to bring the three (3) units up to the Shire's standards, after which an Expression of Interest will be undertaken for a new Management Agreement for community housing with all prospective providers invited to make a submission.

Background:

In 2001 the Ravensthorpe Residential Care Facilities Committee in association with the Shire of Ravensthorpe and the Department of Housing and Works developed a Joint Venture for aged residential housing at 29 Dunn Street, Ravensthorpe.

The driver for this development was a recognised deficiency in the number of aged care accommodation within the Ravensthorpe townsite and that valued community members were forced to move to Hopetoun, Esperance or Albany which in some cases meant families were forced to travel great distances to visit their loved ones.

Initially the three (3) unit accommodation was managed by the Shire of Ravensthorpe but in February 2014 a Management Agreement was undertaken between the Great Southern Community Housing Association Inc (now called Advance Housing) for the period 1 March 2014 to 28 February 2019.

The Management Agreement outlined the responsibilities between both Advance Housing and the Shire of Ravensthorpe. In summary Advance Housing would manage the three (3) tenancies in accordance with the *Residential Tenancies Act 1987* and ensuring compliance with the reporting and compliance requirements of the Department of Housing as it relates to community housing on behalf of the Shire of Ravensthorpe.

Whilst initially the accommodation was dedicated to aged care tenancies the provision to allow low income applicants (maximum of one unit only) was included in the agreement so long as the tenant(s) complied with the National Rental Affordability Scheme Income Limits.

At the Special Meeting of Council held on 7 July 2020, Council resolved;

“Moved: Cr Major

Seconded: Cr Richardson

Res: 78/20

That Council grants Delegated Authority to the Chief Executive Officer to review, negotiate and enter into an agreement for the management of Community Housing at 29 Dunn Street, Ravensthorpe.

Voting Requirements: Absolute Majority

Carried: 6/0”

Currently all three (3) units are vacant and in need appropriate maintenance and repairs to bring them up to the Shire’s and compliance standards. After careful consideration it has been determined that the best option is to formally conclude the periodic agreement with Advance Housing for the management of Community Housing at 29 Dunn Street, Ravensthorpe.

The conclusion of the Management Agreement will see any unspent funds held in Trust by Advance Housing for maintenance of these units to be returned to the Shire. The Shire will then initiate works to bring the units up to a desired state. Once satisfied that the tenancies are ready for community housing an Expression of Interest for a new Management Agreement with an external operator will commence.

It is important to note that the formal conclusion of the Management Agreement with Advance Housing is in no way to be seen as a poor reflection on their service but rather the situation of having no current tenancies and that the condition of the buildings (which are nearing 20 years of age) provides a great opportunity to reset and look to extend the buildings life as well as maximising the community benefit of the accommodation on offer.

To this point the Chief Executive Officer has been in liaison with relevant State Government officials in seeing how the units can best be provided to maximise community benefit.

Given that there can be periods where the units are vacant for extended periods, it is proposed that a priority order of use is introduced as outlined below;

1. Aged Housing; then
2. Low Income Tenancy (Maximum of 1 as per existing State Government approval); then
3. COVID Quarantine Facility (where and if required) at cost; and then
4. Short term accommodation for community based projects at cost.

The intention and priority will always be for the use as aged and low income housing, however short term tenancies (of up to 15 days) are proposed where the units are vacant and would be offered at an undiscounted market rate with the income to be directly allocated to the facility and not be included more broadly into general municipal revenue.

The secondary uses listed above are at present only identified to meet the communities short term needs, for example the Shire has at present no accommodation for those required to self-quarantine as a result of COVID-19, additionally the Shire is facing an exciting period of development with the Ravensthorpe Cultural Precinct and other community infrastructure projects being constructed in the new 12-18 months. Accommodation of contract workers for this period is required and at present there is a shortage of accommodation to meet this short term surge in demand.

Both the above concerns have been identified and this proposal may mitigate those risk by using surplus accommodation for short periods. The Chief Executive Officer is in discussion with relevant government agencies and will only be considered and permitted where the appropriate approvals are in place.

Comment:

The above proposals are aimed at bringing the facilities up to a desired standard and ensuring they are fully utilised to meet community needs.

The 2020/21 Shire of Ravensthorpe has allocated a nominal amount of \$3,000 for these properties, noting that under the agreement general maintenance is provided by the service provider. Additional funds may be requested in the mid-year budget review to complete all necessary works.

Any income received will offset this year’s costs and future year’s funds will be submitted as part of the 2021/2022 budget deliberations.

14.3 Rates Application for Write Off – Ravensthorpe Senior Citizens

File Reference: A468
Location: 57 Morgans Street, Ravensthorpe
Applicant: Ravensthorpe Senior Citizens
Author: Director Corporate and Community Services
Authorising Officer: Chief Executive Officer
Date: 6 November 2020
Disclosure of Interest: Nil
Attachments: Letter Ravensthorpe Senior Citizens 27 October 2020 (Attachment Green)
Previous Reference: Nil

Summary:

As part of the preliminary works in preparation for construction of the Ravensthorpe Cultural Precinct, demolition of the Ravensthorpe Senior Citizens building will occur in December 2020. Given demolition of the building, a request has been received to waive the service charges of the Ravensthorpe Senior Citizens Centre for 2020/21.

Background:

In December 2019 Council resolved to undertake redevelopment of the Central Cultural Precinct in the Ravensthorpe town centre, which would require the demolition of a number of existing buildings including the Ravensthorpe Senior Citizens Building.

In committing community funds to the project the Ravensthorpe Senior Citizens group was not included as one of the thirteen (13) funding partners to the project.

Comment:

The Senior citizens building is sited on Lot 57 Morgans Street, Ravensthorpe which is land owned by the Shire. The senior citizens function will be included within the new precinct building and the old senior citizens building was deemed structurally unsuitable and uneconomic to relocate therefore in October 2020 Council resolved to demolish the existing building. The building will be demolished in December 2020.

The senior citizens will be vacating the existing building by 30 November 2020.

The senior citizens do not pay rates, however they have been charged for 2 x Sewerage fixtures \$325; 1 x Residential rubbish service \$317.75 and the State Governments ESL fee \$84. The total service fees are \$726.75.

The Senior Citizens have asked that the *“Shire Rates for the period 2020/2021 be waived. We apply for this immunity/release because the building we use is to be demolished shortly.”*

The Shire has the option to fully waive the fees of \$726.75 or affect cancellation from December 2020 when the building has been vacated which would result in a pro-rata reduction of \$423.94, which would require a reduced settlement of \$302.81 for the part-year of operation.

It is recommended that we waive the full fees of \$726.75 as a supportive gesture for the disruption to the Ravensthorpe Senior Citizens and a recognition of their in-kind stakeholder support for the project.

14.4 Amendment of Schedule of Fees and Charges 2020/2021 - Outdoor Cinema Trailer

File Reference: N/A
Location: Shire of Ravensthorpe

Authorising Officer: Director Corporate and Community Services
Date: 10 November 2020
Disclosure of Interest: Nil
Attachments: Shire of Ravensthorpe Fees and Charges 2020/2021 – Amendment (Attachment White)
Previous Reference: Nil

Summary:

The adopted 2020/2021 Schedule of Fees and Charges has been noted to have not captured an existing hire fee for the Outdoor Cinema Trailer. Appropriate hire fees and a bond are submitted for Councils endorsement in order to enable this equipment to be utilised by the greater Community.

Background:

A review of all fees and charges to be imposed by the Shire of Ravensthorpe is carried out annually as part of the budget process. It has been identified that the Outdoor Cinema Trailer which has been detailed in previous Fees and Charges manuals has been incorrectly omitted. The fees proposed are outlined below and have not increased from the previous financial period.

Outdoor Cinema Trailer	Ex (GST)	GST	Total
Commercial Hire - per Event up to a maximum of 3 days per Event	\$227.27	\$22.73	\$250.00
Social Hire - per Event up to a maximum of 3 days per Event	\$113.64	\$11.36	\$125.00
Incorporated Not for Profit Hire - per Event up to a maximum of 3 days per Event	\$56.82	\$5.68	\$62.50
Outdoor Cinema Trailer Bond	\$500.00	Nil	\$500.00

Note: The hirer of a public building or the Outdoor Cinema Trailer is responsible for the first \$1,000 of damage or breakages incurred, including but not limited to replacement cost of any lost keys.

Comment:

The adoption of Fees and Charges outside the budget process requires Local Public Notice in accordance with the *Local Government Act 1995*. This statutory public notice will be combined with public promotion of the ability to hire the outdoor cinema trailer. This is anticipated to result in greater usage of the equipment by the Community.

Previous Reference:	Item 13.6 – Delegation for Dealings with Reserve 29342 – Ordinary Council Meeting, 19 November 2019

Summary:

Council is requested to consider Delegated Authority for the Chief Executive Officer to initiate a Request for Tender for the lease of land for Crown Reserve 29342, subject to Ministerial Approval for the change of purpose of the reserve from “Hall” to “Caravan Park” or similar intended use assigned by the Minister.

Background:

An application was received from Richard McBeth for the closure of Melia Way, Munglinup and its amalgamation with Lot 32 (14) Tubada Street, Munglinup was previously considered by Council (August OCM Res: 83/19) and is now with the Department of Planning, Lands and Heritage. The proponent is now seeking to enter into a lease on Reserve 29342.

Council at its Ordinary Meeting of the 19 November 2019 resolved;

Moved: Cr Norman

Seconded: Cr Major

Res No: 129/19

“That Council delegate to the Chief Executive Officer authority to allow requests to be made regarding the care, control and management of Reserve 29342 in accordance with Section 46.(2) Land Administration Act 1997.

Voting Requirements: Absolute Majority

Carried: 7/0”

A request has been made by the Chief Executive Officer on behalf of the Council for the Minister for Planning, Lands and Heritage to approve the change of permitted use from “Hall” to “Caravan Park” with the power to lease for 21 years.

Should the Minister approve the requested change of purpose then it will allow the ability for the Shire of Ravensthorpe to call for a Public Tender for the lease of the land. This report seeks Council approval for the Chief Executive Officer to call for Tenders and expedite the process subject to Ministerial approval being granted.

Comment:

The whole town site block as identified in the above site plan contains numerous parcels of land that include various Crown Reserves, titled blocks and an undeveloped road intended for closure. This lease of land and subsequent development is seen as an initial stage to the greater development of the overall site.

The development itself will bring significant economic benefit to the town site and will attract tourism and support short term accommodation to assist in local mining operations.

CEO

Shire of Ravensthorpe.
Morgan St
Ravensthorpe.

Dear Gavin,

To hasten the likely
imminent and long overdue allocation of a fire fighting
unit for the use of the East Ravensthorpe bushfire brigade
(was Bandalup) — Lyn and myself would like to donate
to the shire a $\frac{1}{2}$ acre of land at the SW corner of Oldfield
loc 608.

This is to the west (just slightly) of our main entrance and
the Qualup well.

The purpose of the donation is to house the unit in a shed
to be supplied by F&SA

The early transfer of this piece of land to the shire will prevent
the search for land to house the unit and therefore hasten the
overall process

Thanks — and I look forward to your future correspondence
and acceptance of this offer

Yours Sincerely
Rodney Daw Lynette Daw

All land except exempt land in the Shire of Ravensthorpe is rated according to its Gross Rental Value (GRV) in townsites or Unimproved Value (UV) in the remainder of the Shire.

The general rates detailed above for the 2019/20 financial year have been determined by Council on the basis of raising the revenue required to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rates and also bearing considering the extent of any increase in rating over the level adopted in the previous year.

The minimum rates have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of the Local Government services/facilities.

Dear Sir / Madam

Shire of Ravensthorpe Local Planning Scheme No. 6 Amendment No. 3

Thank you for your letter dated 28 August 2020 providing the Department of Education (Department) with the opportunity to comment on Amendment No. 3 to the Shire of Ravensthorpe (Shire) Local Planning Scheme No. 6 (LPS6). The Department has reviewed the relevant information in support of the proposed modifications to LPS and has no objections.

Notwithstanding this, the Department notes that the Hopeton Primary School site (Reserve 35585) is incorrectly reserved for 'Public Purposes' and 'Public Open Space'. The Department requests that this omnibus amendment rectifies the inconsistency and includes a modification so that all of Reserve 35585 is shown as 'Education' on the scheme maps.

Should you have any questions in relation to the above, please do not hesitate to contact Mr Matthew Cosson, Senior Consultant – Land Planning on (08) 9264 4008 or by email at matthew.cosson@education.wa.edu.au.

Re: Land Planning Scheme No.6 Amendment No.3

Thank you for your letter dated 28th August 2020. The Water Corporation offers the following comments regarding this Amendment.

The Water Corporation has inspected this Amendment and notes the following;

Amendment 2.67: Has a Water Corporation Wastewater Pump Station located within Reserve 44732 protected by an Easement.

Amendment 2.73: Has a Water Corporation DN100mm Water Main located within the Reserve 35584 protected by an Easement.

However, the proposed changes to the scheme proposed by this Amendment do not appear to affect the protection of these Water Corporation assets.

Should you have any queries or require further clarification on any of the above issues, please do not hesitate to contact the Enquiries Officer.

Introduction

Clause 4 of the Deemed Provisions (set out in the Planning and Development (Local Planning Schemes) Regulations 2015 Schedule 2) gives the local government the ability to “prepare a Local Planning Policy in respect of any matter related to the planning and development of the Scheme area so as to apply –

- Generally or for a particular class or classes of matters; and
- Throughout the Scheme Area or in one or more parts of the Scheme area.”

A Local Planning Policy does not bind Council or the Shire of Ravensthorpe in its decision making. However, the Shire of Ravensthorpe shall have due regard to the provisions of an applicable policy and the objectives which the policy is designed to achieve before making its determination on a planning matter.

The policies included in this Local Planning Policy Manual shall be read in conjunction with the requirements of the Shire of Ravensthorpe Local Planning Scheme No.6 and the Shire of Ravensthorpe Local Planning Strategy.

Objective

This Local Planning Policy Manual has been prepared to guide applicants and staff in preparing and assessing subdivision and development proposals. It aims to consistently apply the objectives of the Shire of Ravensthorpe Local Planning Scheme No.6 in the assessment of all development proposals.

Approval Requirements

Unless stated otherwise within this Policy Manual, all matters are subject to the exercise of discretion by Council in granting Development Approval. In considering an Application for Development Approval for each of the policy areas, Council shall have due regard to the specific Scheme clauses, clause 67 of the Deemed Provisions (set out in the Planning and Development (Local Planning Schemes) Regulations 2015 Schedule 2) and the objectives and requirements of the relevant policy.

Variations

Any variations to a policy will require the applicant to demonstrate exceptional circumstances as to why the policy should be relaxed with the proposal being presented to an Ordinary Meeting of Council for determination. Assessment of the application will require consultation with adjoining and affected landowners.

Council will have regards to any matters set out in Clause 67 of the Deemed Provisions (set out in the Planning and Development (Local Planning Schemes) Regulations 2015 Schedule

Policy

Background

Outbuildings are Class 10a buildings under the Building Code of Australia (1996) which are not substantially connected to a dwelling. Residents of the Shire of Ravensthorpe have different needs to those in metropolitan Perth, therefore this Policy recognises the need to vary the usual Residential Design Code recommendations by increasing outbuilding space (areas and heights) for garaging of vehicles, storage of boats, caravans and other items, domestic workshops, games rooms, studios, stables, etc. As a general rule people expect to be able to have larger outbuildings on larger lots. It is important to note that outbuildings are 'ancillary' buildings and therefore must be constructed in conjunction with another permitted land use such as a house or a rural use such as a 'rural pursuit', animal establishment or intensive agriculture.

The Shire is also aware that in some instances outbuildings may result in problems including:

- Use of outbuildings for unapproved commercial or industrial purposes, which may result in adverse noise, traffic, and visual impacts for neighbours and the locality. With the exception of those used for commercial farming purposes on rural lots, or approved home businesses, outbuildings may only be used for domestic purposes.
- Illegal use of outbuildings as residences, which often incorporate inadequate health and building standards for human habitation.
- Unlike most dwellings, outbuildings are usually very bland metal clad structures devoid of architectural features such as windows, verandas, etc. Construction of large and/or high sheds may have adverse impacts on visual character of streets and neighbourhoods, neighbours and scenic rural or coastal landscapes.
- When outbuildings incorporate reflective materials such as zincalume and are sited in visually prominent locations there is greater potential for adverse impacts on the landscape, and in some instances reflection can cause a serious nuisance for surrounding/nearby residents. The Town Planning Scheme specifically has regard to all

development “using ‘materials and colours on the exterior surfaces of all buildings with the objective of buildings blending with the surrounding landscape and environment.”

As in many rural local governments there is often a desire to occupy a shed whilst building a house, particularly in the rural residential zones. This is not permitted by the Building Codes of Australia as an outbuilding is ‘non-habitable’ by definition. However, the Caravan and Camping Regulations 1997 allow for someone to camp on their property with the approval of the local government for up to 3 months and up to 12 months with approval from the Minister for Local Government.

Camping in this fashion should be in a caravan and is only likely to be supported in the Rural zone.

Local Planning Policy No.3 - Requirements

Exemptions from Development Approval

In addition to the works and development specified in Schedule 2, cl. 61 of Planning and Development (Local Planning Schemes) Regulations 2015 development approval of the local government is not required for the following works:

- b. Pre-fabricated garden sheds and animal enclosures (such as kennels and aviaries) less than 9m² in aggregate area and less than 2.4 metres in height are exempt from the requirements of this policy.

General Requirements

- a. Outbuildings are required to comply with the requirements of the Residential Design Codes of WA or as varied by the criteria set out in Table 1 below.
- b. Outbuildings proposed for vacant Residential, Rural Townsite, Rural Small Holdings, Rural Residential and Rural zoned land require Council approval and will generally not be supported unless:
 - i) A Building Permit has been issued for a Single House;
 - ii) The outbuilding is associated with an approved ‘Rural Use’;
- c. Council will not permit residential habitation of a building approved as an outbuilding or shed on any land in the Shire of Ravensthorpe.
- d. In the Residential, Mixed Use and Rural Residential zones, the use of non-reflective materials is required.
- e. Ablutions are only permitted in an outbuilding where a house exists or has been substantially commenced on the same site.
- f. Use of outbuildings for commercial or industrial purposes is not permitted. Use of an outbuilding for a home occupation or cottage industry is to be in accordance with Council’s Home Occupation, Home Business and Cottage Industry requirements.

2. The need for removal of any native vegetation or major trees;
3. Comments from affected neighbours/landowners;
4. Preservation of useable on site open space areas;

LPP10 Holiday Houses

Policy Objective

The objectives of this Policy are:

- To establish clear guidelines for the short stay use of holiday houses for tourism accommodation.
- To ensure that the predominant residential nature and character of neighbourhoods is retained.
- To minimise negative impacts of holiday homes on the amenity of adjoining residents.
- To encourage the provision of good quality, well managed holiday houses.

Policy

Background

Holiday houses are private residential dwellings that are leased out for short term accommodation for a period not exceeding three (3) months. Holiday homes are a small but growing aspect of the tourism industry in the Shire of Ravensthorpe and have long been an important part of local and Western Australian lifestyle and culture.

The informal development of this section of the tourist accommodation market has meant that holiday homes have so far operated with minimal regulation, resulting in an uncertain legal & insurance environment, issues of inequity with other service providers and increased potential for land use conflict. Community concerns about holiday homes often relate to the behaviour of tenants, rather than being associated with the use per se. In addition there has been concern that some holiday homes are not maintained to a satisfactory standard, which in turn reflects negatively on the Shire's tourism industry.

The Western Australian Planning Commission (WAPC) has prepared Planning Bulletin 99 - 'Holiday Homes Guidelines' that sets out the WAPC's position in relation to the planning and regulation of holiday homes in Western Australia. The bulletin provides guidance to local governments when dealing with issues associated with holiday homes in the local government planning framework. This policy is consistent with the recommendations of this Bulletin.

The Shire of Ravensthorpe Local Planning Scheme No.6 (the Scheme) lists 'holiday home' as an 'A' use in the 'Residential', 'Rural Townsite', 'Mixed Use', 'Rural' and 'Rural Residential' zones.

Definitions

'holiday house' means a single dwelling on one lot used to provide short term accommodation but does not include a bed and breakfast;

'short term accommodation' means temporary accommodation provided either continuously or from time to time with no guest accommodated for periods totalling more than 3 months in any 12 month period.

SHIRE OF RAVENSTHORPE

POLICY MANUAL 2020 / 2021

'Holiday home' means a single house, which might also be used for short stay accommodation for no more than twelve people (but does not include a bed and breakfast, guesthouse, chalet and short stay accommodation unit).

'Short stay' means that no person is to stay for more than three months in any 12 month period.

'Property Manager' means a person or company responsible for the day to day administration of the holiday home and may be the landowner.

Local Planning Policy No.1 - Requirements

Exemptions from Development Approval

This policy does not apply to houses used by absentee landowners for their own holidays but only to houses rented out for commercial gain.

General Requirements

- a. Holiday homes are generally considered an acceptable land use where permitted in Clause 3.2 of the Scheme, subject to appropriate management measures being put in place.
- b. Where development is proposed to be located within a bushfire prone area a Bushfire Attack Level Assessment must be prepared and lodged with a development application unless the development is subject to the BAL Contour Plan over Ravensthorpe and Hopetoun Townsites and a template for lodging Bushfire Management Plans as referenced in LPP11-Development in Bushfire Prone Areas.
- c. Where a Bushfire Attack Level Assessment of BAL-40 and BAL-Flame Zone applies and the rating cannot be reduced it is considered inappropriate for a Holiday Home land use and an application for development approval will be refused.
- d. The holiday home may only be rented for a maximum period of three (3) months to any one person in any twelve (12) month period.
- e. Car parking bays are to be provided on-site at a rate of one bay per two adults accommodated.
- f. The applicant is to provide a copy of the approved Property Management Plan to adjoining landowners/occupiers as identified by the Shire.
- g. On-site holiday home signage is not permitted with the exception of a 0.2m² nameplate (i.e. identifies the name of holiday home if relevant).
- h. Business Directional Signs are not permitted for holiday homes.
- i. The use of grouped or multiple dwellings will generally not be supported for holiday home accommodation given the potential impacts on adjoining residents, unless all owners/strata owners or the body corporate are in agreement.

Special Application Requirements

- a. A Property Management Plan is required to be submitted and approved by the Shire. Matters that need to be addressed in the Property Management Plan include:

SHIRE OF RAVENSTHORPE

POLICY MANUAL 2020 / 2021

- (i) Details of the appointed property manager;
- (ii) Details of the maximum number of adults to be accommodated at any one time.
- (iii) Details of how bookings are to be made;
- (iv) Duties of the property manager;
- (v) In relation to the appointment of a Property Manager, the following is applicable:
 - is a person/company that will have day-to-day management of the holiday home; and
 - will specifically respond to complaints pertaining to guest behaviour made before 1am within a two hour timeframe; and
 - in relation to any other complaints will respond, within a reasonable timeframe but in any event within 24 hours.
- (vi) Fire and emergency plan arrangements (i.e. location of smoke alarms, fire blankets, exit lighting, fire extinguishers, external taps/garden hoses, a fire evacuation route leading to the nearest main road and emergency information details); and
- (vii) A Code of Conduct for guests.

Renewal & Approval Period

- a. All initial development approvals for holiday homes shall be granted for a one year period unless the local government determines otherwise.
- b. In determining an application for renewal, the Shire will consider the nature of any comments made regarding the operation of the activity and any other information available relating to the adverse impact of the activity on the amenity of neighbours and surrounding area.
- c. Where complaints have been made, issues relating to impact on amenity have been verified or other non-compliance with the planning development approval has occurred, approval of the renewal application is unlikely to be granted.
- d. Where the Shire is satisfied that the holiday home has been appropriately managed an approval of the renewal application ~~for a period of up to three years~~ may be granted.

Note:

Property Managers are fully responsible for the holiday home and to ensure there is minimal impact on the amenity of neighbouring properties. This provides a degree of certainty to operators, while also enabling the Shire flexibility to terminate approval of non-compliant operators, particularly where valid complaints are received, conditions of approval are not being complied with and/or there are concerns relating to the holiday home operations.

LPP11 Development in Bushfire Prone Areas

Policy Objective

The purpose of this Policy is to:

- a) Adopt and apply BAL Contour Plans for the townsites Ravensthorpe and Hopetoun in order to assign a Bushfire Attack Level (BAL) rating to the residential areas within these townsites.
- b) Clarify and streamline the development process for residential development in bushfire prone areas zoned Rural, Rural Residential and Rural Small Holdings by providing a Bushfire Management Statement template.

Policy

Background

Large areas of the Shire of Ravensthorpe are prone to bushfires due to topography, vegetation and climate. In 2015 the state government released a suite of reforms in response to the Keelty Report 2011 that apply across the state and elevate bush fire issues to the highest level of planning policy.

The Department of Fire and Emergency Services (DFES), Building Commission and Western Australian Planning Commission (WAPC) collectively released a Bushfire Policy Framework which includes:

- State Planning Policy 3.7 'Planning in Bushfire Prone Areas';
- Amendments to Planning Regulations;
- Amendments to Building Regulations;
- An order by the Fire & Emergency Services Commissioner designating bushfire prone areas;
- Published the Map of Bushfire Prone areas; and
- Published the Guidelines for Planning in Bushfire Prone Areas

The intention of this policy framework is to "implement effective, risk-based land use planning and development to preserve life and reduce the impact of bushfire on property and infrastructure."

The recent release of this policy framework has increased the level of complexity when lodging development applications. The majority of landowners and developers in the Shire of Ravensthorpe are 'owner builders' or reasonably unfamiliar with the development process and requirements.

Additionally, the townsites are remote to professional services, any service usually comes with considerable travel costs added. Large areas of the townsites are required to prepare a BAL Assessment being identified as 'bushfire prone' by the recently released State-wide Bushfire Prone mapping.

This policy seeks to aid applicants in preparing information for lodging development applications by providing a BAL Contour Plan over Ravensthorpe and Hopetoun Townsites and a template for lodging Bushfire Management Plans.

SHIRE OF RAVENSTHORPE

POLICY MANUAL 2020 / 2021

Scheme Requirements

Regulation 10A of the Planning Regulations 'Deemed Provisions' require planning development approval for all development within a designated bushfire prone area; except lots less than 1100m².

The Scheme then requires that Council have 'due regard' for State Planning Policy 3.7 and the Guidelines for Planning in Bushfire Prone Area when determining development applications in bushfire prone areas.

Therefore, this policy is to be read in conjunction with:

- The Deemed Provisions contained in the Planning and Development (Local Planning Schemes) Amendment Regulations 2015, which form part of every local planning scheme;
- Where relevant, any supplementary provisions of a scheme;
- State Planning Policy 3.7 and the supporting Guidelines; and
- Australian Standard 3959: Construction of buildings in bushfire-prone areas.

Importantly, this policy compliments the above requirements only and does not supersede any other requirement of this policy framework. It seeks to streamline, add clarity and consistency to the requirements of the abovementioned documents when applied in the Shire of Ravensthorpe.

Definitions

These definitions are largely from State Planning Policy 3.7 and apply in the context of SPP 3.7, the Guidelines and this policy.

'AS 3959': Australian Standard 3959 Construction of Buildings in Bushfire-Prone Areas.

'BAL': Bushfire Attack Level (BAL) as set out in the Australian Standard 3959 Construction of Buildings in Bushfire-Prone Areas (AS 3959), as referenced in the Building Code of Australia (as amended).

'BAL Assessment': An assessment prepared in a manner and form set out in AS 3959 to determine a BAL. It is required that BAL assessments are prepared by accredited Level 1 BAL Assessors.

'BAL Contour Map': A BAL Contour Map is a scale map of the subject lot/s illustrating the potential radiant heat impacts and associated indicative BAL ratings in reference to any classified vegetation remaining within 100 metres of the assessment area after the development is complete. The intent of the BAL Contour Map is to identify land suitable for development based on the indicative BAL rating.

'Bushfire Policy Framework': The collective term for the package of requirements released in December 2015 that guide development in bushfire prone areas. These documents include:

- State Planning Policy 3.7 'Planning in Bushfire Prone Areas';
- Amendments to Planning Regulations;
- Amendments to Building Regulations;
- An order by the Fire & Emergency Services Commissioner designating bushfire prone areas;

SHIRE OF RAVENSTHORPE

POLICY MANUAL 2020 / 2021

- Published the Map of Bushfire Prone areas; and
- Published the Guidelines for Planning in Bushfire Prone Areas

‘Bushfire Protection Criteria’: means Appendix Four of the Planning for Bushfire Risk Management Guidelines (2015).

‘Bushfire Management Plan’: means a plan which sets out the proposed fire mitigation measures for land. It is normally required to comply with the Bushfire Protection Criteria (Appendix 4 & 5 of the Bushfire Risk Management Guidelines). A bushfire management plan or bushfire management plan is to be prepared by a person with expertise in fire management planning who is preferably accredited under the national BPAD scheme.

‘Bushfire Management Statement’: means a statement prepared by an experienced person or BAL Assessor that demonstrates how a development proposal complies with the ‘acceptable solutions’ listed in Appendix 4 of the Bushfire Risk Management Guidelines and this Policy.

General Requirements

Local Planning Policy No.11 - Requirements

Exemptions from Development Approval

There are no exemptions; all development in bushfire prone areas require assessment against the Bushfire Policy Framework, including this policy.

BAL Contour Plan

1. The Shire of Ravensthorpe has prepared a BAL Contour Plan for the townsites of Ravensthorpe and Hopetoun (2 Townsites BAL Contour Plans). This Plan and report apply a BAL rating to all properties capable of residential development. It is to be applied in the context of the WAPC’s ‘Bushfire Policy Framework’.
2. The BAL Contour Plan applies BAL ratings to those areas designated bushfire prone.
3. An applicant can choose to prepare their own BAL Assessment should they chose to not accept the BAL Contour Plan recommended BAL rating. This must be prepared by a suitably accredited fire consultant.
4. The BAL Contour Plans will be reviewed in order to respond to any townsite mitigation actions completed.
5. The BAL Contour Plans are not applicable to strategic planning proposals and subdivisions.

Bushfire Management Statement

That development applications on land zoned ‘Rural’, ‘Rural Residential’, Residential’ or ‘Rural Small Holdings’ in the Study Area are to be accompanied by:

- A. A BAL Assessment prepared by an accredited person.
- B. A Bushfire Management Statement prepared by as experienced bushfire practitioner that addresses the matters listed in the template provided at Appendix 1 of this policy.

These measures include:

SHIRE OF RAVENSTHORPE

POLICY MANUAL 2020 / 2021

“Essential”:

- i) Define the proposed Building Envelope (where applicable)
- ii) Incorporate findings of BAL Assessment including:
 - House constructed to AS3959 - "Construction of Buildings in Bushfire Prone Areas";
 - Distance to classified vegetation; and
 - Attach a copy of BAL Assessment as an appendix.
- iii) Asset Protection Zone (APZ) -minimum of 20m wide managed to the standard described at Element 2, Appendix 1 of the Guidelines for Planning in Bushfire Probe Areas.
- iv) Council may consider a lesser width APZ where there are environmental, topographical, visual amenity or erosion issues. In all cases the minimum width of the APZ must allow the house to achieve a BAL-29 rating.
- v) Driveway maintained at a trafficable standard at all times. The driveway is to have a minimum trafficable surface of 4m, horizontal clearance of 6m, vertical clearance of 4.5m and maximum grade of 1 in 10.
- vi) An emergency services vehicle turnaround within 50m of the dwelling (three point or circular).
- vii) Dedicated water supply of 10,000L accessible from the driveway or turnaround and provided with a 50mm male camlock fitting.
- viii) Fire Breaks (as appropriate).
- ix) Sheds located at least 6m from the house or assessed as part of the house and a BAL rating applied as appropriate.
- x) Fences and sheds within the APZ are constructed of non-combustible materials; and
- xi) Avoid areas of Kwongkan Shrubland.

“Desirable/Complimentary”:

- Use a simple house design to reduce wind turbulence around house;
- Method for managing vegetation on balance of property;
- Secondary access points through neighbouring property, developed in conjunction with neighbouring landowner;
- Sprinkler Systems; and
- Fire Bunkers.

Note: Where any 'essential' element of the Bushfire Management Statement cannot be complied with a full Bushfire Management Plan shall be prepared by an appropriately accredited fire consultant.
