INFORMATION FOR THE PUBLIC ATTENDING COUNCIL MEETINGS

Please Note:

The recommendations contained in this agenda are officers' recommendations only and should not be acted upon until Council has resolved to adopt those recommendations.

The resolutions of Council should be confirmed by perusing the minutes of the Council meeting at which these recommendations were considered.

Members of the public should also note that they act at their own risk if they enact any resolution prior to receiving official written notification of Councils decision.

Meeting Procedures:

1. All Council meetings are open to the public, except for matter raised by Council under "confidential items".
2. Members of the public may ask a question at an ordinary Council Meeting under "public question time".
3. Members of the public who are unfamiliar with meeting procedures are invited to seek advice at the meeting. If unsure about proceeding, just raise your hand when the presiding member announces public question time.
4. All other arrangements are in accordance with the Council's standing orders, policies and decision of the Shire of Ravensthorpe.

Council Meeting Information:

Your Council generally handles all business at Ordinary or Special Council Meetings.

From time to time Council may form a Committee to examine subjects and then report back to Council.

Generally all meetings are open to the public; however, from time to time Council will be required to deal with personal, legal and other sensitive matters under "confidential items". On those occasions Council will generally close that part of the meeting to the public. Every endeavour will be made to do this as the last item of business of the meeting.

Public Question Time. It is a requirement of the *Local Government Act 1995* to allow at least fifteen (15) minutes for public question time following the opening and announcements at the beginning of the meeting. Should there be a series of questions the period can be extended at the discretion of the presiding member.

Written notice of each question should be given to the Chief Executive Officer fifteen (15) minutes prior to the commencement of the meeting. A summary of each question and the response is included in the meeting minutes.

When a question is not able to be answered at the Council Meeting a written answer will be provided after the necessary research has been carried out. Council staff will endeavour to provide the answers prior to the next ordinary meeting of Council.

Councillors may from time to time have a financial interest in a matter before Council. Councillors must declare an interest and the extent of the interest in the matter on the Agenda. However, the Councillor can request the meeting to declare the matter trivial, insignificant or in common with a significant number of electors or ratepayers. The Councillor must leave the meeting whilst the matter is discussed and cannot vote unless those present agree as above.

Members of staff, who have delegated authority from Council to act on certain matters, may from time to time have a financial interest in a matter on the Agenda. The member of staff must declare that interest and generally the presiding member of the meeting will advise the Officer if he/she is to leave the meeting.

Agendas, including an Information Bulletin, are delivered to Councillors within the requirements of the *Local Government Act 1995*, i.e. seventy-two (72) hours prior to the advertised commencement of the meeting. Whilst late items are generally not considered there is provision on the Agenda for items of an urgent nature to be considered.

Should an elector wish to have a matter placed on the Agenda the relevant information should be forwarded to the Chief Executive Officer in time to allow the matter to be fully researched by a Shire Officer. An Agenda item, including a recommendation, will then be submitted to Council for consideration. The Agenda closes the Friday week prior to the Council Meeting (i.e. ten (10) days prior to the meeting).

The Information Bulletin produced as part of the Agenda includes items of interest and information, which does not require a decision of Council.

Agendas for Ordinary Meetings are available at the Shire of Ravensthorpe Office and on the Shire website seventy-two (72) hours prior to the meeting and the public are invited to view a copy at the Shire Office.

Agenda items submitted to Council will include a recommendation for Council consideration. Electors should not interpret and/or act on the recommendations until after they have been considered by Council. Please note the Disclaimer in the Agenda (page 2).

Public Inspection of Unconfirmed Minutes (Regulation 13).

A copy of the unconfirmed Minutes of Ordinary and Special Meetings will be available for public inspection from the Shire of Ravensthorpe Office and the Shire of Ravensthorpe website within ten (10) working days after the Meeting.

Summary:

This report recommends Council consider and endorse a revised policy – G18 – Recognition of Volunteers.

Background:

At the 21 July 2020 Ordinary Council Meeting the majority of Council's policies were reviewed and updated. The Shire included in this review a policy on Recognition of Volunteers in the Community and sought to hold an event between March and May each year.

A summary of the proposed policy amendments is detailed below;

G18 Recognition of Volunteers

The Shire of Ravensthorpe recognises that volunteering provides a number of wellbeing benefits to both the volunteers and the community including:

- Connectedness and reduced isolation through participation and engagement with others;
- Personal development of skills and self-esteem;
- Greater life meaning and purpose;
- Increase positive perceptions around community safety;
- Access to community resources and information; and
- Improvement to the quality of life for the community at large.

The Shire will provide support for volunteers to enhance and underpin their valuable role.

The Shire recognises all volunteers within the district by way of a function held annually. The Shire will be endeavour to hold the event in February of each year to account for seeding and harvesting. The event is to be coordinated with any State or Federal supported activities and funding.

Comment:

The Shire of Ravensthorpe believes it is important that all members of the Community be able to attend this important event and therefore seeks to formalise a month allowing for those members of the community who undertake seeding and harvesting to be included. It has been determined February of each year would be the best time to hold this event.

Summary:

For Council to consider the endorsement of the Shire of Ravensthorpe Strategic Community Plan, Corporate Business Plan, Asset Management Plan, Long Term Financial Plan and Workforce Plan, as presented.

Background:

The Shire has conducted a Major Strategic Review of its Strategic priorities under Western Australia's Integrated Planning and Reporting Framework (IPRF).

The major review consisted of a first round of community workshops held in Ravensthorpe, Hopetoun and Munglinup during February 2020. The second round of community workshops was interrupted briefly in March 2020 when COVID19 restrictions were imposed. During this time a phone survey was conducted based on information and feedback from the first round of workshops.

In June 2020 once COVID19 restrictions had been softened a second round of community workshops were held in Ravensthorpe, Hopetoun and Munglinup. During the workshops the findings and assumptions were presented back to community to ensure we had the message and direct correct. Following the workshops some minor changes had been made to the draft documents.

The outcomes from the extensive community consultation process undertaken by the Shire were considered in detail by Council at a workshop held on 5 June 2020 and 25 February 2021.

The Shire has now completed, for Council's consideration, a new Strategic Community Plan and Corporate Business Plan, based on the outcomes from our community consultation and Council workshops.

As part of the review process the Shire has also prepared, for Council consideration, a new Asset Management Plan, Long Term Financial Plan and Workforce Plan. The Asset Management Plan, Long Term Financial Plan and Workforce Plan are required to inform the preparation of the Strategic Community Plan and Corporate Business Plan.

All five Integrated Planning and Reporting Plans are now presented to Council as a full suite of document for consideration.

Comment:

The Shire of Ravensthorpe suite of Integrated Planning and Reporting (IPR) plans had been provided to the Department of Local Government, Sport and Cultural Industries as part of a pilot program reviewing the IPR process and requirements with in WA local government's.

Comment was provided on how streamline and meaningful the Shire approach was and our ability to tell the community story in a simple, clear and compelling way, based on robust and credible background work.

The Department has formally acknowledged and thanked the Shire of Ravensthorpe for its involvement in assisting in taking IPR practices in WA to the next level.

14.3 Rating Strategy and Differential Rates 2021-2022

Summary:

This report recommends that Council adopt 2021/2022 differential rates for the purpose of advertising.

Background:

Council adopted a system of differential rating for the first time in the 2015/2016 financial year. As part of the budget setting process for 2021/2022 council will consider a continuation of differential rating, noting that as part of the differential rating process as it stands, ministerial approval will be required prior to rates being struck for the year.

Comment:

Section 6.36 of the *Local Government Act (1995)* allows Council to implement a system of differential rating subject to public advertising, adoption by Council, and approval from the Minister for Local Government, Sport and Cultural Industries, before being applied.

The Act allows for differential rates to be applied to help overcome an issue where the land use within the rating category has a differing contributory cost to Council and therefore rates in the dollar applied are varied. The use of differential rating helps to ensure equality of contribution within the rating system.

During 2021/2022 Council has worked extensively to consider present and longer term budget efficiencies firstly through the introduction, for the first time, of an Enterprise Bargaining Agreement 2020 to stabilise wages and allow for better financial controls. Secondly the Shire has just completed a major review of all of its Integrated Planning documents to achieve a community consensus of key community service strategies together with a new long term financial plan that sets an agreed rates strategy that will be presented to Council for endorsement in May 2021.

The objects and reasons for the differential rating model remains consistent from 2019/2020 where Ministerial Approval was last granted prior to COVID19 concessions last year.

Rating growth during 2020/2021 has been attributed to \$7,000, and in addition the proposed model attached delivers an overall increase in rate income yield for 2021/2022 of approximately 4% or \$178,000. This percentage increase is in line with that outlined in the long term financial plan rating strategy.

Key elements of the 2021/2022 Rating Strategy are that rate in the dollar increases have been aligned in consideration of the extensive community consultation in 2020 and 2021, together with the newly adopted Integrated Planning Suite of documents for 2020-2030. The Shire will be using this suite of documents to deliver on the clear priorities, processes, plans, budget resource priorities, direction on land use, infrastructure, services, asset management, operations, planning and workforce requirements.

This comprehensive community consultative approach was commended 14 April 2021 by the Department of Local Government, Sport and Cultural Industries, Executive Director Local Government, Tim Fraser, in a pilot project to develop tools and resources for Integrated Planning and Reporting (IPR) for smaller local governments. In this regard Tim acknowledged, with appreciation, the Shire’s willingness to adopt and share a leading approach to IPR.

In addition to the above, other cost saving strategies have included the redevelopment of the Town Centre into a cultural precinct, where two aged high maintenance building structures were demolished and the occupying community groups are being co-located into a new purpose built facility with a lower operating cost foot print.

Also we have undertaken a policy review of purchasing local and now no longer apply a weighting discount to Esperance or Albany suppliers who may be more expensive than other regional suppliers from further afield.

The proposed rates in the dollar for 2021/2022 are outlined below and in the attached model:

RATING CATEGORY	2020/21 RATE	2021/22 RATE
	Cent in \$	Cent in \$
GRV Residential	11.7165	12.1852

All land except exempt land in the Shire of Ravensthorpe is rated according to its Gross Rental Value (GRV) in townsites or Unimproved Value (UV) in the remainder of the Shire.

The general rates detailed above for the 2019/20 financial year have been determined by Council on the basis of raising the revenue required to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rates and also bearing considering the extent of any increase in rating over the level adopted in the previous year.

The minimum rates have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of the Local Government services/facilities.
