## INFORMATION FOR THE PUBLIC ATTENDING COUNCIL MEETINGS

### Please Note:

The recommendations contained in this agenda are officers' recommendations only and should not be acted upon until Council has resolved to adopt those recommendations.

The resolutions of Council should be confirmed by perusing the minutes of the Council meeting at which these recommendations were considered.

Members of the public should also note that they act at their own risk if they enact any resolution prior to receiving official written notification of Councils decision.

### Meeting Procedures:

1. All Council meetings are open to the public, except for matter raised by Council under "confidential items".
2. Members of the public may ask a question at an ordinary Council Meeting under "public question time".
3. Members of the public who are unfamiliar with meeting procedures are invited to seek advice at the meeting. If unsure about proceeding, just raise your hand when the presiding member announces public question time.
4. All other arrangements are in accordance with the Council's standing orders, policies and decision of the Shire of Ravensthorpe.

### Council Meeting Information:

Your Council generally handles all business at Ordinary or Special Council Meetings.

From time to time Council may form a Committee to examine subjects and then report back to Council.

Generally all meetings are open to the public; however, from time to time Council will be required to deal with personal, legal and other sensitive matters under "confidential items". On those occasions Council will generally close that part of the meeting to the public. Every endeavour will be made to do this as the last item of business of the meeting.

Public Question Time. It is a requirement of the *Local Government Act 1995* to allow at least fifteen (15) minutes for public question time following the opening and announcements at the beginning of the meeting. Should there be a series of questions the period can be extended at the discretion of the presiding member.

Written notice of each question should be given to the Chief Executive Officer fifteen (15) minutes prior to the commencement of the meeting. A summary of each question and the response is included in the meeting minutes.

When a question is not able to be answered at the Council Meeting a written answer will be provided after the necessary research has been carried out. Council staff will endeavour to provide the answers prior to the next ordinary meeting of Council.

Councillors may from time to time have a financial interest in a matter before Council. Councillors must declare an interest and the extent of the interest in the matter on the Agenda. However, the Councillor can request the meeting to declare the matter trivial, insignificant or in common with a significant number of electors or ratepayers. The Councillor must leave the meeting whilst the matter is discussed and cannot vote unless those present agree as above.

Members of staff, who have delegated authority from Council to act on certain matters, may from time to time have a financial interest in a matter on the Agenda. The member of staff must declare that interest and generally the presiding member of the meeting will advise the Officer if he/she is to leave the meeting.

Agendas, including an Information Bulletin, are delivered to Councillors within the requirements of the *Local Government Act 1995*, i.e. seventy-two (72) hours prior to the advertised commencement of the meeting. Whilst late items are generally not considered there is provision on the Agenda for items of an urgent nature to be considered.

Should an elector wish to have a matter placed on the Agenda the relevant information should be forwarded to the Chief Executive Officer in time to allow the matter to be fully researched by a Shire Officer. An Agenda item, including a recommendation, will then be submitted to Council for consideration. The Agenda closes the Friday week prior to the Council Meeting (i.e. ten (10) days prior to the meeting).

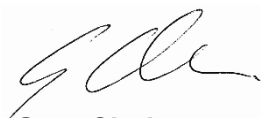

The Information Bulletin produced as part of the Agenda includes items of interest and information, which does not require a decision of Council.

Agendas for Ordinary Meetings are available at the Shire of Ravensthorpe Office and on the Shire website seventy-two (72) hours prior to the meeting and the public are invited to view a copy at the Shire Office.

Agenda items submitted to Council will include a recommendation for Council consideration. Electors should not interpret and/or act on the recommendations until after they have been considered by Council. Please note the Disclaimer in the Agenda (page 2).

Public Inspection of Unconfirmed Minutes (Regulation 13).

A copy of the unconfirmed Minutes of Ordinary and Special Meetings will be available for public inspection from the Shire of Ravensthorpe Office and the Shire of Ravensthorpe website within ten (10) working days after the Meeting.

<b>Previous Reference:</b>	<b>OCM 27/07/20 – Item 13.2 – 2020 – Comprehensive policy register review.</b>

#### **Summary:**

To consider reviewing the current Policy for Legal Representation for Council Members and Employees to include matters in relation to Defamation.

#### **Background:**

The existing policy was reviewed in July 2020, but there was no inclusion of matters in relation to defamation. A review of this policy has outlined the requirement for its inclusion for the following details:

- the *Defamation Act 2005 (WA)* has been enacted
- the use of social media has proliferated – Facebook (2006) and Twitter (2006)
- the Local Governments Standards Panel has been established (2007)
- mobile (instant) communication has become the norm
- the ability to make anonymous comments to a wide audience has been enhanced
- comments may impact negatively on the psychological wellbeing of the target
- work health and safety obligations have become more onerous
- it has been put beyond doubt that Shire is obliged to protect the physical and psychological health and safety of its workers
- significant penalties (and imprisonment in the near future) may be imposed if this obligation is not satisfied
- this exposure cannot be insured against
- during 2020 the Department of Local Government (Department) revised its Operational Guideline on Legal Representation for Council Members and Employees and proposed a Model Policy.

Against this background, it is appropriate that Council reconsider the Existing Policy.

#### **Comment:**

##### Defamation

A publication (e.g. a statement in writing, by word or via social media) defames a person if an ordinary reasonable person would think less of them because of what was said about them in the publication. If a person is defamed, they may ignore it, demand an apology, or commence proceedings in the Supreme Court of Western Australia seeking damages for the damage done to their reputation.

If the City does not fund legal representation, “ignoring it” will often be the default position because individuals may not be able to afford to take it any further. Given that “it takes 20 years to build a reputation and five minutes to ruin it”<sup>1</sup>, “ignoring it” has the potential to harm the psychological health of the defamed person, thereby exposing the Shire and its officers (particularly the CEO) to being prosecuted under the *Occupational Safety and Health Act 1984 (WA)* and the *Work Health and Safety Act 2020 (WA)* once the relevant provisions of the latter are proclaimed.

This risk cannot be mitigated by insurance. These issues may ultimately diminish the Shire’s ability to recruit and retain employees and Councillors.

Commencing a Supreme Court defamation action is a step that should not be taken lightly. They are expensive and time-consuming, and success cannot be guaranteed. It will depend on the facts of each particular case. If proceedings fail, the loser will invariably have to pay a significant amount of the winner’s costs.

This leaves a letter of demand – or as is now allowed under the *Defamation Act 2005* – a “concerns notice”. A concerns notice is a formal document which outlines exactly what defamatory statements are alleged to have been made, when the statements were made, who they were published to, what defamatory imputations can be drawn from the publication, and what remedies are requested. The recipient of such a notice may then make an “offer of amends” which, if accepted, will conclude the matter.

The use of the “concerns notice” provides a quick and relatively inexpensive way of determining whether the damage caused by a defamatory statement might be addressed, by agreement, without the need to resort to costly and time-consuming Supreme Court proceedings.

The current existing Shire Policy does not make mention of Defamation.

The Model Code provides:

“If the criteria in clause 1 of this policy are satisfied, the city/town/shire may approve the payment of legal representation costs: ... where exceptional circumstances are involved – for example, where a person or organisation is lessening the confidence of the community in the local government by publicly making adverse personal comments about council members or employees.

...

“The City/Town/Shire will not approve, unless under exceptional circumstances, the payment of legal representation costs for a defamation action, or a negligence action, instituted by a council member or employee.”

Although the Model Code makes no reference to a concerns notice, such a notice would likely be issued before Supreme Court proceedings are launched.

The Modified Model Policy proposes that:

- The CEO, in consultation with the Shire’s Legal Service, will decide whether to instruct legal representatives to endeavour to reach an agreed settlement via the “concerns notice” and “offer of amends” procedure, because this may produce a quick result, at a cost of no more than \$10,000; and

---

<sup>1</sup> Per Warren Buffett

- Council will decide whether to fund the commencement of the more expensive Supreme Court proceedings, and the terms upon which that funding (if approved) will be offered.

In each case it is proposed that any funds advanced pursuant to the policy will be recovered from any monies recovered by the person defamed (whether by way of damage to their reputation or legal costs).

**Statutory Environment:**

Section 3.1 of the *Local Government Act 1995* provides that the general function of a local government is to provide for the good government of persons in its district. Section 6.7(2) provides that money held in the municipal fund may be applied towards the performance of the functions and the exercise of the powers conferred on the local government by the Act or any other written law. Under these provisions a council can expend funds to provide legal representation for council members and employees as long as it believes that the expenditure falls within the scope of the local government’s function.

## 13.2 Policy for Communications and Social Media

<b>Disclosure of Interest:</b>	<b>Nil</b>

<b>Previous Reference:</b>	<b>Nil.</b>

### **Summary:**

To consider a draft Council Policy to establish protocols for the Shire's official communications with its community to ensure the Shire is professionally and accurately represented.

### **Background:**

It is fundamentally important that the Shire's communications with its community are professional, courteous and accurate. The draft Council Policy sets out what is expected in communications between the Shire, the Shire President, elected members and the community.

Over the last decade the use of social media has evolved and grown. Social media has become a popular communication tool with the ability to disseminate information quickly, and elected members have taken up social media as a means of communicating with the community.

Acknowledging the many challenges present in communicating with the community (including via social media) WALGA prepared a draft Communications and Social Media Policy for member local governments to consider. The policy objective is to assist the Shire and its elected members to understand their obligations when communicating with the community, with particular emphasis on the use of social media. The Shire has used the WALGA template to draft a policy for Council's consideration. The draft Council Policy will provide clear direction and consistency when engaging with the community, including via social media.

### **Comment:**

Section 2.10 of the *Local Government Act 1995* provides that one of the roles of elected members is to facilitate communication between the community and the Council. The Shire also has an ethical responsibility to the community and to elected members to ensure that information being distributed by any means (including via social media) is accurate and relevant.

The Local Government (Model Code of Conduct) Regulations 2021, regulation 4(1) also provide guidance as to the behaviours expected of elected members including to "avoid damage to the reputation of the local government" and to ensure decisions are based on relevant and factually correct information. The draft Council Policy provides an overview of how the Shire deals with official communications and how it manages its social media presence. The policy also provides expectations on how the elected members should manage their social media interactions with the community. The draft Council Policy differs from the WALGA template to include a requirement that elected members must 'moderate' comments and feedback from the community on their social media accounts, in a manner consistent with the 'moderation' undertaken by the Shire.

The draft Council Policy addresses a range of matters that have been identified as critical in ensuring transparency and accountability when engaging with the community. While the WALGA template provides a solid foundation for a communications and social media policy, it will be enhanced by incorporating a responsibility for elected members to ensure that comments posted on an elected member's social media account are moderated to remove inappropriate content in a manner similar to that expected of the Shire.

Inappropriate Content is defined to mean conduct that –

- a) is offensive, abusive, defamatory, objectionable, inaccurate, false or misleading;
- b) is promotional, soliciting or commercial in nature;
- c) is unlawful or incites others to break the law;
- d) is overtly sexual or explicit;
- e) is threatening or describing violent events or behaviours;
- f) refers to or encourages the use of illegal drugs;
- g) is harassing or hateful to an organisation or person, including the Shire of Ravensthorpe, our employees, stakeholders, associates and suppliers;
- h) contains information which may compromise individual or community safety or security;
- i) is repetitive material copied and pasted or duplicated;
- j) promotes or opposes any person campaigning for election to the Council, appointment to official office, or any ballot;
- k) violates intellectual property rights or the legal ownership of interests or another party; and
- l) contains inappropriate content or comments at the discretion of the Shire.

**Consultation:**

Elected members.  
Executive Team.

**Statutory Environment:**

- Section 2.7 of the *Local Government Act 1995* states that it is the role of Council to determine the local government's policies.
- Section 5.41 of the *Local Government Act 1995* notes that one of the CEOs functions is to ensure that advice and information is available to Council so that informed decisions can be made.

### **Larry Baker**

Q1. I see there is \$100,000 noted in the Budget for the Airport. Whose money is that? Is it the ratepayers or the mining company's money? Why are we maintaining an Airport we can't use?

A1. The Director Corporate and Community Services advised yes the Shire does pay to operate the Airport. There are costs attached. The Airport has expenditure and also revenue. Net results can change over time depending on if the Airport is used or not. Whether the ratepayers are paying for the Airport depends on the year you are talking about.

In the 2021/2022 Budget the Airport is in a good financial year due to the mining activity. The Airport is delivering a dividend to the Shire. Therefore, the ratepayers are not putting in a cent to the airport based on this financial year.

Q2. The figure of \$360,000 is that how much the Airport has earned or is that the projected earnings?

A2. The Director Corporate and Community Services advised last financial year the Airport revenue was \$767,000 he is unsure where Mr Baker was getting the \$360,000 figure from.

Mr Baker advised he got it from the 2021/2022 Budget. The \$360,000 figure what would the Shire put that down to page 11 of 19 of the Budget?

The Director Corporate and Community Services advised he could not see where Mr Baker was getting that figure from and the question would be taken on notice to further clarify.

Q3. Kalgoorlie, Port Hedland, Newman many other mining towns have mandated that they have permanent seats available for ratepayers on mine site planes. Why does the Shire not have this available?

A3. The Shire President advised in Ravensthorpe the flights are chartered planes and therefore are under a different insurance which does not allow for a mandate and guaranteed seats.

### **Ken Norman, Ravensthorpe**

Q1 Can you give me an update regarding the Diversion Stage 2 of the Diversion Road?

A1. The Director Technical Services advised the Shire is working under the original Deed of Agreement which was signed off in late 2018 which provided that Galaxy Lithium Australia to provide the full funding the Stage 2 Project which is known as the Floater Road Diversion.

The Shire and Galaxy Lithium Australia have gone through the process of agreed development, design and specification with the understanding the Shire would undertake the contract and Galaxy Lithium Australia would provide the full funding for the project. A full tender process has been undertaken and to date the Shire has not received any funds from Galaxy Lithium Australia. The Shire has been in constant negotiations for Galaxy Lithium Australia to provide these funds.

Galaxy Lithium Australia have recently merged with another company and the Shire is pushing for this project to proceed as the North Ravensthorpe Community have been waiting a number of years for this project to be completed. A meeting was held earlier this month with Galaxy Lithium Australia, the Director Corporate and Community Services, the Shire President, the former Acting Chief Executive Officer Brian Jones and the Director Technical Services. Galaxy Lithium Australia have made it quite clear with the current board they are not going to provide the full funds for this project direct to the Shire. As a government body we cannot undertake a contract unless we have the funds which have not been provided.

The Shire has put to Galaxy Lithium Australia to come up with a new agreement as they cannot uphold the current agreement. The proposal the Shire has put to Galaxy Lithium Australia is like any developer they undertake to manage the contract and the payment of that contract as per the agreed design and specification.

Once the project is completed it will then be handed over to the Shire and Main Roads WA.

Q2. When the project was first noted in 2018 the project was at a cost of nine hundred thousand and something dollars now it is five and a half million. That is a significant burden on Galaxy why is that?

A2. The Director Technical Services advised that is the current market value in Western Australia at the moment.

**Steven Ball, Ravensthorpe**

Q1. In regards to Medallion Metals the Gold Mine when is it actually going to be starting up?

A1. The Acting Chief Executive Officer advised under the Local Government Act the local government has no powers or abilities to coerce a private organisation to get on with their development

Q2. In respect to our roads in Ravensthorpe, north, south, east and west is there any plans to get some serious work done on the roads as they are dangerous.

Shire President requested clarification if Mr Ball was talking about Shire roads or Main Roads.

After discussion it was noted it was Main Roads WA roads that were the main issue.

A2. The Shire President advised as a Shire all we can do is advocate to Main Roads WA which we do.

The Deputy Shire President encouraged Mr Ball and any community members to log onto Main Roads WA website and log in their complaints/

## **Jane Morgan, Hopetoun**

Q1 Could we have a sign put up for Dr Lochner's surgery as there is one for the Salon but not the doctors?

Clarification was sought if Ms Morgan meant a private business sign or a street sign.

Ms Morgan advised it was a street sign.

A2. The Acting Chief Executive Officer advised if the doctor is interested in having a street sign put up it would be appropriate for the doctor to contact the Shire and request it.

#### **Summary:**

Section 3.16 of the *Local Government Act 1995* (the Act) requires that a review of each local law occurs within a period of 8 years from the day a local law commenced or was last reviewed. The review is to determine whether the local law should be repealed, amended or retained in its current form.

The Shire is due to complete 8 yearly reviews for the following local laws:

- Bush Fire Brigades Local Law 2010
- Dogs Local Law 2010
- Fencing Local Laws 2015
- Health Local Laws 2010
- Local Government Property Local Law 2010
- Parking and Parking Facilities Local Law 2010
- Pest Plant Local Law 2010
- Standing Orders Local Law 2003

This report recommends the Shire commence the statutory review process, with the first step being to give local public notice of the intent to undertake the review and providing the ability for members of the public to make submissions for a minimum of 6 weeks.

#### **Background:**

The Bush Fire Brigades Local Law; Dogs Local Law; Health Local Law; Local Government Property Local Law; Parking and Parking Facilities Local Law; and Pest Plant Local Law were adopted by Council in 2010 and are now overdue for review.

The Fencing Local Law was adopted by Council in 2015 and although it is not due for review until 2023 it is recommended all Local Laws be reviewed at the same time.

The Standing Orders Local Law was adopted by Council in 2004 and amended by Council resolution in 2010 and is also now overdue for review.

Further information and recommended changes to the Shires current Local Laws is included below.

The “section 3.16 - Periodic review of local laws” process needs to be completed prior to proceeding with any changes.

Once local public notice has been given and the submission period concluded, the procedure for making local laws under section 3.12 can commence. The “section 3.12 - Making local laws” process allows for further public consultation and includes another public submission component.

**Comment:**

**Bush Fire Brigades Local Law 2010**

Council Resolution: 19 August 2010      Govt Gazette: 8 February 2011

*Bush Fires Act 1954 and the Local Government Act 1995*

**Purpose:**

To legislate for the establishment and dissolution of Bush Fire Brigades, the appointment of Bush Fire Control Officers, types of membership of Brigades, role and the operation of a Bush Fire Advisory Committee and establish rules for the effective operation and management of Bush Fire Brigades.

The effect of this local law is to ensure an effective Bush Fire Brigade structure to protect life and property throughout the Shire and that Bush Fire Brigades are well resourced and have a sound organisational structure.

The Local Laws are based on Model Local Laws developed by WALGA.

Recommendation:

That the Shire undertakes a review of the Bush Fire Brigades Local Law.

**Dogs Local Law 2010**

Council Resolution: 19 August 2010      Govt Gazette: 8 February 2011

*Dog Act 1976 and the Local Government Act 1995*

**Purpose:**

To make provisions about the impounding of dogs, to control the number of dogs that can be kept on a premises and the manner of keeping these dogs and to prescribe areas in which dogs are prohibited and dog exercise areas.

The effect of the Local Law is to extend control over dogs which exist under the Dog Act 1976

**Issue:**

Local Law needs to be amended by removing the prescribed areas in which dogs are prohibited and dog exercise areas. Rather than have the areas prescribed within the local law Council can determine these areas by Council resolution. This allows for the prescribed areas to be reviewed and amended by Council as required, rather than the need for the Local Law to be amended to change the prescribed prohibited and dog exercise areas.

Recommendation:

That the Shire undertakes a review of the Dogs Local Law.

**Fencing Local Law 2015**

Council Resolution: 16 April 2015      Govt Gazette: 22 May 2015

*Local Government Act 1995 and Dividing Fences Act 1961*

Local Law Amended:

**Fencing Amendment Local Law 2015**

Resolved: 17 December 2015

Govt Gazette: 27 January 2016

**Purpose:**

To establish the minimum standards for fencing throughout the Shire in terms of materials, standards and heights and in particular establishes what is deemed to be a 'sufficient fence' under the Dividing Fences Act 1961.

The Local Law addresses the following matters:

1. Defines a 'sufficient fence'
2. Confirms fences within the front and secondary street setback area greater than 1200mm in height require approval;
3. Establishes acceptable fencing materials including outlining a need for approval to use barbed wire and prohibiting razor wire and use of broken glass without a licence issued by the Shire;
4. Ensures electric fences are not used in residential areas; and
5. Provides powers for enforcement and penalties for failure to comply with the terms of the Local Law.

The purpose of the amendment was to:

1. Clearly requiring that all dividing fences shall be sufficient fences;
2. Clarifying what legislation is used when considering objections and appeals on local government decisions regarding fences; and
3. Revising the 'sufficient fence' standard in rural and rural residential areas to the more commonly used fencing standard in the Shire which includes:
  - a. Require a minimum of seven (7) wires for a non-electrified fence.
  - b. Require posts to be at least 1650mm long and set 550mm into the ground leaving 1100mm above ground; and
  - c. Require a minimum of five (5) wires for an electrified fence

Recommendation:

That the Shire undertakes a review of the Fencing Local Law.

**Health Local Laws 2010**

Council Resolution: 23 December 2010

Govt Gazette: 11 May 2015

section 342 of the *Health Act 1911* and in accordance with subdivision 2 of Division 2 of Part 3 of the *Local Government Act 1995*

**Purpose:**

To provide for the regulation, control and management of day to day health matters within the Shire.

The effect of this local law is to establish various health standards and requirements which people living and working within the district must observe.

**Issues:**

The following issues need to be considered following the adoption of the Public Health Act 2016

- the *Public Health Act 2016* does not make provision for local laws. In future, these will instead be made under the *Local Government Act 1995*.

- Local laws made under the *Health (Miscellaneous Provisions) Act 1911* will remain in effect until stage 5 of implementation of the *Public Health Act 2016*.
- new local laws will be made under the Local Government Act 1995 rather than the Health (Miscellaneous Provisions) Act 1911.
- It is intended that the Department of Health will be working with the Department of Local Government, Sport and Cultural Industries and WALGA to provide a new set of model local laws to allow for the easy transition of local laws from sitting under the *Health (Miscellaneous Provisions) Act 1911* to under the *Local Government Act 1995*, prior to the rollout of stage 5.

Recommendation:

That the Shire undertake a minor review of the Health Local Laws 2010 as part of the overall Local Law review, with a view to repealing the current Health Local Law 2010 and replacing it with the proposed Model Local Laws related to health when they become available.

### **Local Government Property Local Law 2010**

Council Resolution: 22 April 2010 Govt Gazette: 8 June 2010

*Local Government Act 1995*

Local Law Amended:

**Local Government Property Amendment Local Law 2010**

Resolved: 24 February 2011

Govt Gazette: 15 March 2011

To provide for the regulation, control and management of activities and facilities on local government property, thoroughfares and public places within the district.

The effect of this local law is to establish the requirements with which any person using or being on local government property, thoroughfares and public places within the district must comply.

The purpose of the amendment was to increase the application of the Local Laws to 200 metres from the coastal boundaries of the district into the Southern Ocean

**Issues:**

- Does not allow for the prohibition of smoking on Shire property.

From Local Law

**2.5 Register of determinations**

(1) The local government is to keep a register of determinations made under clause 2.1, and of any amendments to or revocations of determinations made under clause 2.6.

(2) Sections 5.94 and 5.95 of the Act apply to the register referred to in subclause (1) and for that purpose the register is to be taken to be information within section 5.94(u)(i) of the Act.

A Register of Determinations needs to be established and included on the Shires website.

Note: Caravan Parks and Camping is controlled under the Caravan Parks and Camping Grounds Act.

Recommendation:

That the Shire undertake a review of the Local Government Property Local Law and consider an amendment to the Local Law to insert the following in section 2.8 Activities which may be prohibited on specified local government property,

- 1(h) smoking on premises;

### **Parking and Parking Facilities Local Law 2010**

Council Resolution: 19 August 2010

Govt Gazette: 8 February 2011

*Local Government Act 1995*

Local Law Amended:

#### **Parking and Parking Facilities Amendment Local Law 2011**

Resolved: 22 December 2011

Govt Gazette: 20 January 2012

**Purpose:**

The purpose of this local law is to:

- constitute a parking region;
- enable the Shire to regulate the parking of vehicles within the parking region;
- provide for the management and operation of parking facilities
- occupied by the Shire; and
- the issuing of infringement notices for parking offences.

The effect of this local law is that all persons parking a vehicle within the parking region are to comply with the provisions of this Local Law.

The purpose of the amendment was to deal with a minor numbering error.

Recommendation:

That the Shire undertake a review of the Parking and Parking Facilities Local Law.

### **Pest Plant Local Law 2010**

Council Resolution: 19 August 2010

Govt Gazette: 8 February 2011

*Agriculture and Related Resources Protection Act 1976* and the  
*Local Government Act 1995*

**Purpose:**

To provide a process for requiring landowners to control and eradicate declared pest plants on their properties. The Effect of this local law is to control the spread of declared pest plants.

**Issues:**

The existing local law refers to the *Agriculture and Related Resources Protection Act 1976*, which has been replaced by the *Biosecurity and Agriculture Management Act 2007* (BAM).

Recommendation:

That the Shire undertake a review of the Pest Plant Local Law 2010 and process an amendment to reflect the change in the legislative framework from the *Agriculture and Related Resources Protection Act 1976* to the *Biosecurity and Agriculture Management Act 2007*

## Standing Orders Local Law 2003

Council Resolution: 15 January 2004      Govt Gazette: 11 May 2004

*Local Government Act 1995*

Local Law Amended:

### **Standing Orders Amendment Local Law 2010.**

Council Resolution: 19 August 2010  
Govt Gazette: 8 February 2011

#### **Purpose:**

In January 2004 Council adopted the Model Local Law (Standing Orders) 1998 published in the *Government Gazette* on 3 April 1998.

The purpose of the amendment local law was to bring the current Standing Orders Local Law into line with current legislative requirements for rule of conduct and terminology.

The effect of the amendment local law is to ensure that the Standing Orders Local Law can be enforced in an effective manner.

#### **Issues:**

- Standing Orders Local Law based on now dated Model Local Laws.

#### Recommendation:

That Council review the model Meeting Procedures Local Law as developed by WALGA and consider adopting the Model Local Laws with appropriate amendments to reflect the wishes of Council.

#### **Comment**

Since the Shire's Standing Orders Local Law 2003 was last reviewed in 2010, WALGA have produced a Meeting Procedures Local Law template that has been endorsed by the Joint Standing Committee on Delegated Legislation (JSCDL). This is now being used as the basis for Local Governments to modernise their meeting procedures local law confident in the knowledge that providing wholesale changes are not made, the path to approval through the JSCDL is largely assured.

Given the age of the Shire's existing local law, a repeal and adoption of this modernised template is recommended. It is important to note that the fundamentals of the local law have remained the same, however it is written in simpler English with an improved format that provides additional clarity and ease of understanding for Elected Members, staff and the community.

A summary of the enhancements the new model local law will provided is listed in the table below.

Change of Name	Meeting Procedures Local Law is a term more readily understandable by the general public.
Matters for Which Meeting May Be Closed	Removal of the current requirement to pass a motion at the beginning of the meeting.

Method of dealing with agenda business	Allows Councillors the flexibility to consider moving items en bloc where the item is not subject to: <ul style="list-style-type: none"><li>• absolute majority requirement;</li><li>• a financial, proximity or indirect financial interest;</li><li>• petition or a deputation;</li></ul> specific request to debate item separately.
Part 6 – Public Participation	Provides greater clarity and references to the Act and regulations
Implementing a Decision Clause 15.3(2))	Provides defined cooling off period following a meeting prior to others being able to rely and act on the decision.
Part 18 – Enforcement	New clause that provides clarity of breaches consequences.

### **15.3 Application to Keep More than Prescribed Number of Dogs – 34 France Street, Hopetoun**

**File Reference:** LE.LL.11 & A1474  
**Location:** 34 France Street, Hopetoun, WA 6348  
**Applicant:** Glenn Birdseye  
**Author:** Senior Ranger  
**Authorising Officer:** Chief Executive Officer  
**Date:** 7 October 2021  
**Disclosure of Interest:** Nil  
**Attachments:** Nil  
**Previous Reference:** Nil

#### **Summary:**

An application to keep more than the prescribed number of dogs has been received from Glenn Birdseye of 34 France Street, Hopetoun. Mr Birdseye has in his control three (3) dogs, a seven (7) year old Staffordshire Bullterrier x Kelpie, a six (6) year old Mastiff x and a two (2) year old Kelpie. Mr Birdseye has noted in his application that they are well behaved rescue dogs that are members of the family. Mr Birdseye has had no dog related complaints against him at this address.

#### **Background:**

On 23 September 2021, Mr Birdseye attended the Shire of Ravensthorpe's Hopetoun Office, requesting to register three dogs. The Shire of Ravensthorpe Dog Local Law 2010, section 3.2 provides that only two (2) dogs over the age of 3 months can be kept at a premise situated within a Townsite.

The *Dog Act 1976*, Section 26(3), allows the Shire to grant an exemption to a placed limit on the keeping of dogs in a specified area if the local government is satisfied the provisions in the Act are met.

**Comment:** Mr Birdseye was advised that the Shire would need to notify the surrounding neighbours and give them the opportunity to oppose or raise any issues. At the close of the request for comment, no correspondence was received.

#### **Consultation:**

Request for Comment was sent to two parties, made up of two (2) property tenants, on 23 September 2021. It was requested submissions were returned to the Shire by 7 October 2021. It was noted on these submissions if no comment was received the Shire would consider no objection to the application. ### Summary:

Council to consider a closure of both the Ravensthorpe and Hopetoun Shire Administration and Operation Centre’s over the Christmas and New Year period being from Monday, 20 December 2021 to Monday, 3 January 2022 (inclusive). Plus the closure of both the Ravensthorpe and Hopetoun Shire Childcare Centre’s from Monday, 27 December 2021 to Monday, 3 January 2022(inclusive).

### Background:

The Christmas and New Year closure allows staff to book holidays, travel and spend time with family and friends. Traditionally this time of year sees most staff wanting to take leave and staff numbers are at very low level. With a blocked out operation closure staff can return after the break refreshed and resume full operation and services as per normal.

### Comment:

Council has delegated the Chief Executive Officer under delegation 1.2.37 to determine the Christmas Closure on condition that;

*The CEO shall in consultation with Councillors set the dates of closures of facilities and services for the Christmas/New Year Period.*

Given the current circumstances it has been deemed prudent to bring this matter to Council for endorsement.

During the abovementioned period there are three (3) public holidays with staff being required to take approved leave for the additional days.

A roster will be developed to ensure coverage is provided by Senior Staff and the Leading Hands so contact can be made by phone as per a roster with one or more being in town if required at short notice. Some members of the outside staff will be working in Ravensthorpe and Hopetoun during the closure period and will be available out of hours if required.

Fire weather warnings and harvest ban SMS’s can be sent remotely by the Community Emergency Services Officer in conjunction with Fire Control Officer’s.

The emergency services and police will be notified of all key personnel contact details during the period. This information will also be provided in the Information Bulletin. The public will be notified of contactable number via the Shire communication avenues, the Shire of Ravensthorpe Website and Facebook page.

### Summary:

The Shire seeks to revoke point 5 of resolution 115/21 of 5 October 2021, Special Council Meeting Item 6.2.1 Chief Executive Officer Recruitment and endorse the Acting Chief Executive Officer in consultation with the Shire President to seek out an Independent Member for the Selection Panel.

### Background:

At the Special Council Meeting on 5 October 2021, resolution 115/21 was endorsed by Council. Point 5 of this decision sought to appoint Mr Ian Mickel from the Shire of Esperance to join the CEO selection panel as the independent person, pursuant to Regulation 8(3)(b) of the Local Government (Administration) Regulations 1996.

A review to ensure compliance with the local government regulations has highlighted Schedule 2 of the Local Government (Administration) Regulations 1996 Clause 8(1) notes;

#### 8. *Establishment of selection plant for employment of CEO*

##### *(1) In this clause –*

***Independent person*** means a person other than any of the following –

### Comment:

In accordance with the *Local Government (Administration) Regulations 1996*, local governments are required to establish a selection panel to conduct and facilitate the recruitment and selection process.

Terms of Reference (TOR) for the selection panel have been developed that incorporate the standards for recruitment as defined in Schedule 2, Division 2 of the *Local Government (Administration) Regulations 1996*. These TOR are attached to this report.

The selection panel are responsible for the recruitment and selection process for the CEO, to make recommendations to the whole Council on the most meritorious candidate for the position and to ensure that the recruitment and selection process is fair and robust.

It is essential that prior to a person's appointment to the selection panel they are informed of the duties and responsibilities of their role and that of the panel.

The selection panel should be made up of elected members and must also include at least one independent person who cannot be a current elected member, human resources consultant, or employee of the local government.

Point 4 of the Council resolution 115/21 noted:

*Appoint a Chief Executive Officer Selection Panel comprising Cr Keith Dunlop, Cr Leighton, and Cr Mudie supported by the recruitment consultant appointed by Council (see 2 above), to shortlist and interview candidates with all members of Council being invited to be present to conduct final interviews;*

To ensure compliance with the Regulations it is recommended Council revoke point 5 of Resolution 115/20 and move to endorse the Acting Chief Executive Officer in consultation with the Shire President to approach a suitable qualified independent person, who is available to undertake these duties.

### **17.1 Decommission of Old Hopetoun Navigation Beacon**

**File Reference:** GR.SL.45  
**Location:** Old Hopetoun Navigation Beacon  
**Applicant:** Department of Transport  
**Author:** Coordinator Development Services  
**Authorising Officer:** Acting Chief Executive Officer  
**Date:** 14 October 2021  
**Disclosure of Interest:** Nil  
**Attachments:** Nil  
**Previous Reference:** Nil

#### **Summary:**

The Department of Transport have approached the Shire of Ravensthorpe to request the decommissioning and removal of the Old Hopetoun Navigation Beacon on Table Hill, Reserve 29568 Beacon Drive, Hopetoun. Council will need to elect whether or not to de-register the old Hopetoun Navigation Beacons from the municipal inventory, thus allowing the Department of Transport to decommission this landmark.

#### **Background:**

Local Heritage surveys (formerly local heritage inventories or municipal inventories) identify and record places that are, or might become, of cultural heritage significance. The old Hopetoun Navigation Beacon on Table Hill (Reserve 29568 Beacon Drive, Hopetoun) forms part of the Shire of Ravensthorpe's municipal register.

The Department of Transport deregistered the old Hopetoun Navigation Beacon in 1998 and has had no further involvement in its up keep. The Shire of Ravensthorpe has notified the Department that the old wooden beacon is in a bad state of repair and poses a risk to the public and has indicated that the Department of Transport is responsible for the repairs.

The Department of Planning, Lands and Heritage – Land Use Management Division, has indicated by way of background that the Reserve 29568 (Table Hill) was initially vested in the Shire of Ravensthorpe in 1969 as a "Look out" for visitors. Subsequently, at the request of the Department of Transport in 1995, and with the agreement of the Shire subject to the navigation beacon being preserved, the purpose of the Reserve was amended to Tourist Lookout and Navigation Beacon with responsibility for the management of the Reserve placed jointly with the Shire and the Department of Transport.

It is noted from "InHerit" that the Heritage Council considered the shipping beacons at Table Hill (Reserve 29568), Foreshore and Harbour, Hopetoun, not warranting assessment for placing on the State Register of Historic Places in March 2021 and that the Shire of Ravensthorpe added the site to its Municipal Inventory in July 1998.

#### **Comment:**

The Department of Transport seeks to decommission and remove the old Hopetoun Navigation Beacon from Reserve 29568 Beacon Drive, Hopetoun).

To decommission and remove the beacon, the Shire of Ravensthorpe first have to deregister the old Hopetoun Navigational Beacon from the Municipal Heritage Inventory.

Council is required to prepare a Local Heritage Survey which will be an update to the currently adopted Municipal Inventory dated July 1998.

If the intention is to decommission and leave in place, Planning staff could support this, however comment also needs to be made as to who is then responsible for the maintenance.

If the intention is for wholesale removal, Planning staff supports this.

A demolition license may also be required prior to removing the beacon.

The applicant has a right of review to the State Administrative Tribunal if aggrieved by any planning decision.

It should also be noted that pursuant to Section 211(1) of the *Planning and Development Act 2005*, a person aggrieved by the failure of a local government to enforce or implement effectively the observance of a local planning scheme may make representation to the Minister. If the Minister considers it appropriate to do so, representation may be referred to the State Administrative Tribunal for its report and recommendation. Following subsequent actions and recommendation by the SAT the Minister may order the local government to do all things considered necessary for enforcing the observance of the Scheme or any provisions of the Scheme.

**Building Code of Australia**

A demolition permit may be required to remove the beacon.

**Heritage Act 2018**

103. Local heritage survey

- (1) A local government must prepare a survey of places in its district that in its opinion are, or may become, of cultural heritage significance.

State Planning Policy 3.5 *Historic Heritage Conservation* (2007) states that:

“A heritage list established pursuant to a local planning scheme should be compiled having regard to the places identified in the inventory. A local government may elect to include all of those places in its heritage list, or may include a smaller sub-set of places.

The standard procedures for the compilation of a heritage list are set out in the Deemed Provisions (Schedule 2 *Planning and Development (Local Planning Schemes) Regulations 2015*).

The inclusion or exclusion of places from a heritage list should be based on their degree of historic heritage significance, supported by the findings in the inventory, irrespective of whether they are privately or publicly owned.”

*Planning and Development (Local Planning Schemes) Regulations 2015 – Schedule 2*

8. Heritage list

- (1) The local government must establish and maintain a heritage list to identify places within the Scheme area that are of cultural heritage significance and worthy of built heritage conservation.

**Policy Implications:**

Nil.

**Financial Implications:**

Given the withdrawal of the Department of Transport from maintaining the beacon, there is some question as to who will be responsible for paying costs associated with its decommissioning. While the Department of Transport should be paying for the removal of the beacon, the Shire of Ravensthorpe may incur costs to an unknown degree.

**Strategic Implications:**

The proposal is to do with the following theme of the Strategic Community Plan:

A healthy, strong and connected community that is actively engaged and involved;  
Outcome 1.2 “Vibrant & attractive townsite”.

check after rates raised

All land except exempt land in the Shire of Ravensthorpe is rated according to its Gross Rental Value (GRV) in townsites or Unimproved Value (UV) in the remainder of the Shire.

The general rates detailed above for the 2019/20 financial year have been determined by Council on the basis of raising the revenue required to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rates and also bearing considering the extent of any increase in rating over the level adopted in the previous year.

The minimum rates have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of the Local Government services/facilities.
