3. RESPONSE TO PREVIOUS PUBLIC QUESTIONS TAKEN ON NOTICE

Questions raised at the 21 March 2023 Ordinary Meeting of Council Penny Hale – 7 Templetonia Drive, Hopetoun

Question 1

Ms Hale queried if a risk assessment has been conducted on 5G technology to ascertain if there is a risk on humans.

Answer 1

The Shire CEO contacted Ms Hale and discussed her concerns. Ms Hale requested that Councillors be made aware of the 5G service and possible issues. The CEO circulated a Telstra FAQ to Councillors on this issue. According to Telstra website source, currently there is no 5G service operating within the Shire of Ravensthorpe.

Question 2

Today, regular viewer of sky. Plane spray trail across Park, then turn to Ravensthorpe. Chemical trails and who might be doing this.

Answer 2

The Shire CEO discussed Ms Hale's concerns re her observations of vapour/chemical trails from aircraft flying overhead the Shire. Ms Hale said she was now monitoring aircraft traffic using an app and no further action is currently required.

4. PUBLIC QUESTIONS TIME

In accordance with section 5.24 of the *Local Government Act 1995*, a 15-minute public question time is made available to allow members of the public the opportunity of questioning Council on matters concerning them.

Council Consideration Towards Public

When public questions necessitate resolutions of Council, out of courtesy and at the Shire President's discretion, the matter is to be dealt with immediately to allow the public to observe the determination of the matter (obviates the need for the public to wait an undetermined period of time).

When a matter is listed on the Agenda and member/s of the public are in attendance to observe the determination of the matter, out of courtesy and at the discretion of the Shire President, the matter is to be brought forward on the agenda and dealt with immediately to allow the public to observe the determination of the matter (again this obviates the need for the public to wait an indeterminate period of time).

Questions raised prior to the 18 April 2023 Ordinary Meeting of Council

Linda Bower – 18 Boronia Street, Hopetoun

Question 1

Has anyone from the Shire (President, Vice President or Councillors) been to visit the proposed Family Day Care at 30 Wilkinson Street, Hopetoun, to have a look and find out

for themselves how the centre will work, the parking arrangements and noise will impact the surrounding area?

Answer 1

CEO read response from Senior Planning Officer which stated that Planning Officers found the information provided with the development application, particularly the photographs of the property, to be adequate to assess the proposal without undertaking a site visit. Prior to the Ordinary Council Meeting, the Shire President and Shire Councillors could organise with the landowner to visit the site if they wished.

Question 2

If a family of 6, 7, or 8 (parents and children) moved into this property, would the same concerns be raised?

Answer 2

CEO read response from Senior Planning Officer which stated, if a family moved into the property, regardless of the number of children, they would be in compliance with the requirements for a Dwelling/Single House and would not require an application for development approval. Planning Officers acknowledge that a family with a large number of children could potentially be noisier and/or more disruptive than the proposed Family Day Care depending on the nature of the family and children.

Question 3

Is the Ravensthorpe Shire against the proposed Family Day Care due to ownership of the Little Barrens Child Care Centre?

Answer 3

The Shire of Ravensthorpe is required to be impartial and neutral in its decision making, with no favour or bias granted to individuals, groups, existing or proposed businesses, or other organisations.

Julie Brennan – 30 Wilkinson Street, Hopetoun

Ms Brennan invited Council to visit her proposed Family Day Care and explained that it is not the same as a Child Care Centre. She furthermore acknowledge that one neighbour is a shift worker and that she is willing to work with this person to negate any noise that might arise from children playing outside.

And

At the ordinary meeting of Council held on Tuesday 21 March 2023:

'Council AGREED by unanimous consensus to lay the document on the table to a future meeting date.'

COMMENT

 - 9.2 if a provision is not considered to be critical, the JSCDL may require an undertaking from Council to make an amendment,
 - 9.3 the local law takes effect on the day stipulated in the local law, generally 14 days after publication in the Government Gazette.

12.4.1 DEVELOPMENT APPLICATION – FAMILY DAY CARE – LOT 445 (30) WILKINSON STREET, HOPETOON

Previous Reference:	N/A

PURPOSE

1. For Council to consider Development Application P23-06 for a Family Day Care at Lot 445 (30) Wilkinson Street, Hopetoun.

BACKGROUND

2. Shire of Ravensthorpe received Development Application P23-06 for a Family Day Care at Lot 445 (30) Wilkinson Street, Hopetoun on 27 February 2023. Lot 445 (30) Wilkinson Street is zoned Residential R10/20, has a lot area of 900 square metres and is developed as a single house.
3. As per Local Planning Scheme No. 6, Family Day Care is an 'A' use and was subsequently advertised between 28 February 2023 and 22 March 2023 to the adjoining properties on all sides on the justification that these were the properties most likely to be impacted.
4. Four (4) objections were subsequently received from three properties to the rear of Lot 445 (30) Wilkinson Street, Hopetoun. Two of the objections are noted as being from properties that were not subject to the initial neighbour referral, due to not sharing a boundary, however these objections were deemed valid and comprise part of this report. One objection was later withdrawn by the objector after additional information was supplied by the applicant.

COMMENT

5. Lot 445 (30) Wilkinson Street, Hopetoun is zoned Residential R10/20, has a lot area of 900 square metres and is developed as a single house.
6. Family Day Care is defined as a premises where a family day care service, as defined in the Education and Care Services National Law (Western Australia), is provided. Note that this is substantially different to a Child Care Centre which means premises where – (a) an education and care service as defined in the Education and Care Services National Law (Western Australia) section 5(1), other than a family day care service as defined in that section, is

provided; or (b) a child care service as defined in the Child Care Services Act 2007 section 4, is provided.

7. Family Day Care is an 'A' use in the Residential zone, which requires mandatory advertising, however there are no other specific provisions that affect a Family Day Care under the Local Planning Scheme or Local Planning Policies.
8. Of the three objections received during the required advertising, the objections were on the following grounds:

Objection:	Planning Officers Comment:
Noise, rubbish odours and discarded toys are inevitable, so I would like to know what action the Shire would take when complaints were received. As I have a vacant lot next door, my property is the obvious dumping ground, whether intentional or not. I would expect the costs of clearing my property of rubbish, and toy removal would be borne by the applicant, and enforced by the Shire.	Noted. As a condition on any development approval, the applicant/operator would be required to ensure that the proposal does not generate a nuisance from odour, disposal of wastes, or other vectors and would further be responsible for any costs for mitigation works or cleaning of affected sites.
Adequate fencing to ensure the children remain within the confines of the applicant's property.	Noted. The applicant has indicated that the property is fully fenced and secured with a lockable gate. The applicant has further indicated that children are to be supervised at all times.
Adequate parking at the applicant's property for drop-off and pick-up of children. On-site parking for staff and visitors? What impact would additional vehicle traffic have on the street? Preserving the general amenity of the area by minimizing impact of additional vehicles, ensuring safety and the like for the existing residents should be of paramount importance to the Shire.	Noted. Lot 445 (30) Wilkinson possesses an unusually large driveway, which based on the calculations of Shire Officers, appears adequate to meet the car parking requirement of a Family Day Care under the Local Planning Scheme of 1 bay per 2 children. Conditions have been included with the option for approval that vehicles associated with the proposed use are to be parked on the property and no loading or unloading of vehicles is to be undertaken on the road verge.
Adequate public liability insurance carried by the Applicant.	Noted. The applicant will be required to obtain the required public liability insurance and to provide a copy to the Shire of Ravensthorpe as a condition of any approval.

Objection:	Planning Officers Comment:
My house is rented to mining workers often on night shift, this may mean loss of income. My appeal is against excessive noise.	Noted. The proposed Family Day Care may impact on properties used by night shift workers due to noise generation during the day. However it is noted that a degree of impact on night shift workers could be expected from the majority of potential uses of the property, including the current use as a Dwelling were a family with noisy children to move in.
I have received no information about the proposal, nor to its size, and hours of the day it will operate.	Noted. Advertising was directed to the three properties that share a boundary, which was then shared by one of those landowners to others in the area. Any interested party had the ability to ask at the Shire Offices or via email to view a copy of the proposal. The Planning Officers were not advised of anyone seeking to view a copy of the plans of the proposal.
This is a residential area and should not have an active business with the general public coming and going to its door.	Noted. Family Day Cares, Home Businesses, Holiday Houses and similar uses are all land uses that can be considered on a property in the Residential zone under the Local Planning Scheme.

9. The text of the objections with the contact and identifying details removed was then provided to the applicant who provided a response and justification.

Applicants Justification:	Planning Officers Comment:
Family day care educators must abide by strict educator-to-child ratios, which dictate one educator to a maximum of seven children with no more than five children under school age at a time. This means, I am able to care for a maximum number of 5 children during the day and 2 for before and after school care.	Noted. A condition will be included with any development approval to limit the number of children in accordance with this advice.
I operate as a sole trader and will also live at the property so there will not be other staff members at the premises.	Noted. This is a point in favour of the proposal, as someone who lives at the premises is less likely to accept excessive noise or mess.

Applicants Justification:	Planning Officers Comment:
I am happy to work with surrounding residents to come to a compromise about a reasonable amount of time for the children to be able to play outside and they will always be supervised.	Noted. This is a point in favour of the proposal, as working with the adjoining and impacted landowners will enable the applicant to schedule activities such as outdoor playtime to when it causes less issue on the surrounding properties.
The inside area of the home that will be used for the day care is on the ground level and set back into the hill, so it is mostly underground and towards the front of the property. The noise from inside does not travel up into the backyard and the properties at the rear. Please refer to the attached photos of the property. I will have my private living quarters on the top level of the home.	Noted. A sensible option, as having the family day care on the bottom level both assists with noise mitigation but also safety of those utilising the service.
A family day care business would not generate any more noise than a family with children living in the property.	Noted. And correct assuming either very noise children, or a family with more children than the proposed family day care.
The name of my business has not been registered as yet. I am still using my old business name at present. I am waiting on Shire approval before sending the application of the name change. The name "Hopetoun's Little Dolphin Family Day Care" is my proposed name upon approval.	Noted. No comment.
Regarding the concern about rubbish and odors. I would have the same amount of rubbish as a normal household with a family and will dispose of my rubbish in the bins which are collected with normal rubbish collection. I would dispose of old and broken toys in the bin and if there were any larger items I would take them to the tip. The owners of the property are happy to give me their tips passes they received with their Shire Rates. I have no intention of using the vacant block next door as a dumping ground.	Noted. Assuming that it is just the applicant living at the premises, the level of waste generated should be similar to having a small family which would be within the limits of the regular bin service. It is appreciated that the landowner has passed on the tip passes for use if necessary.
Parking – there is plenty of room on the property for parents to drop off and pick up their children and park in the driveway, as shown in the	Noted. A condition or advice note should also be included as part of any development approval or council

Applicants Justification:	Planning Officers Comment:
attached photos. As mentioned, there are no other staff or visitors and if I notice that there is any congestion I will stagger start and finish times of the children. I will display signage for the parents instructing them where they can and cannot park.	consent to advise people coming to the property not to park in the street or road verge.
I have all the insurance that I am required to have. You cannot operate a Family Day Care without all the required insurances. Attached is a copy of the insurance cover.	Noted. A copy of any public liability insurance, not just the cover, will need to be submitted to the Shire of Ravensthorpe as a condition of any development approval.

CONSULTATION

10. As per Local Planning Scheme No. 6, Family Day Care is an ‘A’ use and was subsequently advertised between 28 February 2023 and 22 March 2023 to the adjoining properties on all sides on the justification that these were the properties most likely to be impacted.
11. Four (4) objections were subsequently received from the three properties to the rear of Lot 445 (30) Wilkinson Street, Hopetoun. 12. The text of the objections, with identifying details removed was then provided to the applicant who provided a response. The details in this response were then provided to the objectors who were given the option to amend, alter or withdraw their objections between 24 March 2023 and 11 April 2023 with one objection withdrawn by the objector and no response received from the other two objectors deemed to be a signal that they wished to maintain their objections as is.

STATUTORY ENVIRONMENT

13. Local Planning Scheme No. 6
14. The applicant has a right of review to the State Administrative Tribunal if aggrieved by any planning decision.
15. It should also be noted that pursuant to Section 211(1) of the *Planning and Development Act 2005*, a person aggrieved by the failure of a local government to enforce or implement effectively the observance of a local planning scheme may make representation to the Minister. If the Minister considers it appropriate to do so, representation may be referred to the State Administrative Tribunal for its report and recommendation. Following subsequent actions and recommendation by the SAT the Minister may order the local government to do all things considered necessary for enforcing the observance of the Scheme or any provisions of the Scheme.

POLICY IMPLICATIONS

RISK MANAGEMENT

18. The following risks have been identified as part of this report;

Risk	Likelihood	Consequence	Risk Analysis	Mitigation

PURPOSE

1. To approve the Hopetoun Sports Precinct Master Plan to go out for public comment.

BACKGROUND

2. The Shire of Ravensthorpe has made significant investments in its sport and recreation assets which have been built over decades and are dispersed throughout the Shire. Maintenance and development has often been ad-hoc, and the facilities have rarely been designed for multi-use. In addition, the way the community has participated and volunteered in sport and recreation has changed over time and there is a need to look at smarter ways to use, build and maintain sport and recreation infrastructure.
3. Council has identified that there is a need to review and upgrade the Hopetoun Sporting Precinct. The Shire of Ravensthorpe Sport and Recreation Master Plan (2022), which was developed by the Shire of Ravensthorpe and Tredwell in collaboration with the local community and key stakeholders, also found that several of the existing facilities at the Hopetoun Sporting Precinct require renewal to meet modern standards.
4. The Concept Plan contains background information, demographic, trends and site analysis, consultation findings, guiding principles, concept design plan and staging plan which has been developed in collaboration with key stakeholders.

COMMENT

5. It has been acknowledged that the Master Plan will require a staged approach due to substantial works, and costs that will be associated with the overall approved plan. However, the plan will allow the Council to seek funding from external revenue streams. Stages will be prioritised on a community needs basis and funding opportunities.
6. Key benefits of shared use facilities include:
 - Enabling local government to better meet the growing needs and demands of emerging and existing communities
 - Allowing local governments to partner with schools to better deliver outcomes for community health and wellbeing
 - Increasing the capacity for schools to provide accessible community facilities
 - Minimising the duplication of facilities by maximising public access
 - Facilitating the delivery of programs and activities where resources are limited

- Maximising opportunities for cost-efficient sharing (e.g. maintenance, staffing, energy)
- Expanding community use by maximising the return on local government investment
- Delivering infrastructure earlier than anticipated by aggregating resources

CONSULTATION

7. The consultants Tredwell initially interviewed Community and sporting group individually, as well as State sporting bodies. Two local community and key stakeholder workshops were also held at the Hopetoun Sporting Pavilion. The following organisations/ groups were represented at the workshop:

- Shire of Ravensthorpe
- Southerners Sporting Club
- Hopetoun Bowling Club
- First Quantum Minerals
- Hopetoun Community Resource Centre
- Hopetoun Primary School
- Ravensthorpe Regional Arts Council
