5.1 TENDERS- WANDRRA ROAD REPAIRS- RFT 7/2017, 8/2017, 9/2017, 10/2017, 11/2017, 12/2017

File Ref:**Applicant:** Not applicable**Location:** Not applicable**Disclosure of Officer Interest:** None**Date:** 7th December 2017**Author:** Darryn Watkins - Manager Engineering Services**Authorising Officer:** Ian Fitzgerald – Chief Executive Officer**Attachments:** Opus Tender Evaluation Report

Summary:

A series of tenders have been called for works packages for repairs to the shires road network as a result of the February 2017 flood event. The event has been declared a natural disaster which has triggered funding that being WANDRRA AGRN 743.

The tender submissions for the advertised works packages 7 to 12 have been assessed by Council's engineering consultant's against the criteria outlined in the tender documentation and a report on the tender evaluation prepared for Council consideration.

Background:

The flood event of February 2017 severely impacted some 90 local governments including the Shire of Ravensthorpe. The event was declared a natural disaster and as such is eligible for disaster relief funding under WANDRRA.

Once the event was declared a natural disaster the process of assessing and recording each area of damage was required along with a cost estimate for the road repairs. All this documentation is presented to Main Roads WA for the assessment and subsequent approval.

The first six works packages have been awarded to contractors and works on those first six works packages are currently underway in the Shire.

Comment:

The evaluation report from Opus International Consultants is attached which details the tender process, submissions received and recommendation's for award.

Consultation:

Chief Executive Officer

Statutory Obligations:

Local Government Act 1995 and associated regulations

Policy Implications:

Nil

Budget / Financial Implications:

Council will be required to fund the repair works and then through a complex time consuming process claim the funds back through Main Roads WA.

Strategic Implications:

Nil

Sustainability Implications:

- **Environmental:**
There are no known significant environmental considerations.

- **Economic:**
There are no known significant economic considerations.

- **Social:**
There are no known significant social considerations.

Voting Requirements:

Simple Majority

OFFICER RECOMMENDATION

ITEM 5.1

That Council awards the tenders as outlined below:

Tender No.	Recommended Contractor	Price (Inc GST)
07/2017	ACH Contractors Pty Ltd	\$626,326.76
08/2017	WCP Civil Pty Ltd	\$789,368.78
09/2017	Palmer Civil Construction	\$386,064.80
10/2017	Palmer Civil Construction	\$493,035.40
11/2017	WCP Civil Pty Ltd	\$556,464.83
12/2017	WCP Civil Pty Ltd	\$711,787.58

5.2 TENDERS – TENNIS COURT REINSTATEMENT**File Ref:****Applicant:** Not applicable**Location:** Not applicable**Disclosure of Officer Interest:** None**Date:** 14 October 2017**Author:** Jenny Goodbourn – Manager Corporate & Community Services**Authorising Officer:** Ian Fitzgerald – Chief Executive Officer**Attachments:** Tender Comparison Document

Summary:

A tender has been called for the reinstatement of the Ravensthorpe Tennis courts following their destruction by the floods in February.

Background:

The existing tennis courts were badly impacted and undermined by flood damage from the adjoining creek during the February floods. The damage is covered by the Shire's insurance policy and a loss adjuster has been appointed to assist with the claim. A structural inspection of the damage was carried out and following from this the recommendations were to clear all existing court surface and debris and for a professional sports contractor to be engaged to ensure no further remedial works are required and to reinstate the tennis courts.

The clearing and basic levelling works were carried out by WCP in the first week of September

Comment:

Initially quotes were called for the reinstatement works but due to the value of the works involved it was realised that we would either need to call a tender for the works or engage a WALGA preferred supplier.

We then requested quotes from several WALGA preferred supplier companies, however there was no specific sports contractors on the WALGA panel.

We received two different quotes and there was a major disparity in the amounts quoted:- One supplier quoting in the region of \$200,000 and the other in the region of \$350,000.

After discussion with the loss adjustor it was decided to accept neither quote and call a formal tender which would allow other companies the chance to submit a tender for the job.

Tenders were advertised and closed on Friday 8th December.

At the close of submissions three tenders had been submitted.

Consultation:

Chief Executive Officer

LGIS

Charles Taylor Adjusting (Australia) Pty Ltd

Statutory Obligations:

Local Government Act 1995 and associated regulations

Policy Implications:

Nil

Budget / Financial Implications:

Council will be required to fund the repair works via progress payments and then be reimbursed from LGIS.

Strategic Implications:

Nil

Sustainability Implications:

- **Environmental:**
There are no known significant environmental considerations.

- **Economic:**
There are no known significant economic considerations.

- **Social:**
There are no known significant social considerations.
