Activity without approval

Where an application for development approval is lodged after the development has commenced or been carried out, an additional amount, by way of penalty, that is twice the amount of the maximum fee payable for determination of the application is applicable.

For example the maximum fee for development of not more than \$50,000 is \$147. If the development had commenced or been carried out at the time of application, a fee by way of penalty of \$294 would be applied to the application in addition to the fee of \$147, making the total fee chargeable \$441.
